

The Kelley Family MISSIONARIES TO SURINAME

April and May 2020

**Support Level:
51%**

Well... April and May we have stayed home. We continued to go to our church's drive-in services. Mike had a chance to preach the last drive-in service. We are now able to assemble in our building. Even though we have had no meetings God supplied us with another supporting church in May.

As most of you already know, in April we began fostering Mike's great-niece and nephew. The plan is for adoption eventually. We made this decision after much prayer and pastoral counsel. We have gone from two to four children now. Please pray for all of us as we adjust to the new normal. Due to our family growing we had to find a larger place to live. God blessed, and we did find a larger house, but we have to wait for it to become available. Originally it was to be ready June 1st, but the COVID-19 virus has slowed things down. Please pray that we would be able to move in quickly.

We are looking forward to meetings beginning again.
