

# Project Win Honduras

*Church-Planting with a Vision for the Future*

*...he that winneth souls  
is wise.  
Proverbs 11:30*

We have lots of good news to share with you this month. We hope you enjoy hearing how God is working in our lives in response to your prayers.

## **Our Ministry Video is Ready!**

We're thrilled to finally have this ready to share with you. We are excited about being able to answer the Lord's call to start churches in Honduras, and this 5-min video shares why we believe there is both a huge need and a huge potential for the gospel in Honduras. ## **2021 is Over 80% Full.**

God has been continuing to bless us with meetings. We have fewer than 27 openings for 2021. Pray that the remainder of our calendar will be filled. Pray that we would be a blessing to churches. We have been in so many fantastic churches already on deputation, and we want to encourage them the way they encourage us. **We also want to praise the Lord for two new supporting churches this month, and provision for our every need.**

## **New Member of Team Honduras: Arriving March 2021**

God has blessed us this year. Marriage is wonderful and we are glad to be learning more about God and ministry together. God has also blessed us with our first child. Please pray for my wife during her pregnancy as we are continuing to travel on deputation more and more, and travel does not mix well with morning sickness. The last two months she's been dealing with a lot of fatigue, but things seem to be slowly improving, and the baby is doing well and is healthy, so we praise the Lord for that!

Thank you for lifting us up to the Lord in prayer as we work towards being in Honduras as soon as possible. We are praying that God would bless each of you as you strive to spread the gospel in your area.
