

# THE ROUSE REPORT

REVELLINGS IN THE WORKING OF GOD

Sept & Oct, 2020

Despite the ebbs and flows of politics, and untouched by the changing guards of leaders and administrations, the need of man remains the same. Jesus recognized it. Matthew 9:36, "But

when he saw the multitudes, he was moved with compassion on them, because they **fainted**, and were **scattered** [emphasis mine] abroad, as sheep having no shepherd."

In August I met a Guatemalan named Victor. He is one of those sheep: a man without satisfaction of life and without guidance to truth. My time was limited with him, but as I gave him the gospel, he reacted with interest and surprise to consider that Jesus took our sin, became a sinner in our place, and will put His righteousness upon us when we repent and believe on Christ as Savior. Pray that he will make that decision soon. Also, pray for Delmar. He is a Guatemalan that I met on the plane a couple years ago on my way to a conference in Retalhuleu. He texted me recently. I responded and then later called him. He has gone through so much tragedy in the last two years. While vacationing in New York City area last year, his youngest son was diagnosed with brain cancer and almost died; while his wife got their son treatment, her mother died, and she could not go to the funeral (in Guatemala); then Delmar's father died; during this time his oldest daughter was raped; and currently he is at home in

Guatemala not able to be with his family in New York. Pray for his salvation and God to give me wisdom to minister to him.

With the elections facing us, Bro. Fernandez, director of our ministry, asked me to help give a presentation in the church he pastors about Biblical issues that should guide our voting selections. I did so, but did it in a unique way. The Lord led me to do it in the person of Abraham Lincoln. It is amazing how the current political atmosphere parallels his time. God blessed, and it was very well received. I bet you did not know that Lincoln spoke Spanish?! I can send you the link to prove it 😊.

I want to say a special THANK YOU to all of you who donated and helped us with producing the booklet *Born to Reproduce* in Spanish. We could not have done it without you. The project is completed, and we are looking forward to getting it distributed. Pray for some special meetings. Next week we will participate in a missions conference via Zoom. Then at the end of October we have a family conference in a Spanish-speaking ministry in Alabama.
