## REVELLINGS IN THE WORKING OF GOD

Jan & Feb, 2021

Robin and I trust that God gave you a very blessed Christmas and a good start to the new year.

*Praying that we can have these kind of meetings again soon.*

Like you, we are working through the possibilities and options for our ministry Fires of Evangelism for this year of 2021. Our conference in Panama was cancelled. Plans for the conference in Monterrey this month of February are moving forward. We are also planning to have in-person conferences in Campeche, Guadalajara, and Mexico City, Mexico, although these plans could change at a moment's notice. Our big conference that we had planned in June last year in Indiana is rescheduled for this June. Ecuador in April has been cancelled. Other conferences in South

*We miss being able to influence & encourage pastors like this*

America and Central America are waiting to see what their country restrictions are going to be closer to the conference dates. Please pray with us that God would show mercy and open doors of opportunity.

It is taking real diligence, but I continue to pursue developing curriculum for future online courses. I also have been invited to teach an Old Testament Survey class to students in Colombia in May. Pray for the Lord's direction and wisdom in this opportunity as I prepare materials.

Recently, I met with the children's director of our church in Tennessee. He wants me to help him in getting our church's outreach to children in the city going again. It waned into non-existence with the COVID shut-downs and the moving away of the previous leader of that ministry. I am hoping to meet soon with our teen director to see how we can expand outreach in that area as well.

Thankfully, Robin and I are well. We trust and pray that you are too!

Victor & Robin Rouse
