"Starting churches and training preachers in the Dominican Republic"

March 2021

Dear Pastor and Brethren,

With all my heart, I would like to wish that the Lord would pour out His abundant blessings on each one of you, even in the midst of this time of crisis that the earth is experiencing due to COVID-19.

When starting this accustomed report of the work we are doing on the mission field, it is always good to do it with good news, but this time I must inform you of the death of my dear mother, Catalina de Amorós, due to COVID-19. I still have the blessed hope, which we as true Christians have, to see her again soon. My mother was the first person to accept the Lord as her Saviour in the first church I planted in Brooklyn, New York, in 1985. **I give glory to God, who helped me to be the instrument for my parents to be saved. "Absent from the body, present with the Lord."**

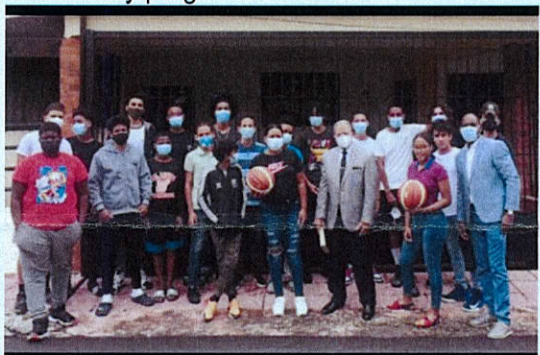

Thirty Souls Saved During Our Missionary Conference

We started the month of January as a church, praying and asking the Lord for guidance and wisdom to know if it was His will to hold our annual Missionary Conference for pastors, missionaries, and church leaders. I really did not know whether to have it or not due to the danger of the pandemic. After praying for a month, we decided to have it. The Lord confirmed His will, even though we only had it with our local church.

Thirty people received the Lord as their Saviour during the conference! The Lord greatly glorified Himself, and the Holy Spirit manifested His power through the preaching of the Gospel. The brethren prayed and worked hard to bring visitors, and God blessed our efforts. Several new converts pledged to support our missionary program.

Vaccination Plan to Face COVID-19

The government started a vaccination plan to help stop the number of people being infected with the virus, but the majority of the people are very scared of it due to the lack of information on the vaccine, which came from China. Please pray for our church as we try to do our best to stay healthy and reach souls with the Gospel.

"For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth to the Jew first, and also to the Greek." Romans 1:16

Regarding the Church Property

Regarding the property that we want to buy for the church, we continue to work and give sacrificially as a church; that is why we have \$50,000.00 for the temple. The property owners accepted the offer we made, and now we only need an additional \$100,000.00 and not \$150,000.00, as before. Please keep praying for us, as we are praying for the Lord to provide us with \$40,000.00 so that we can request a loan from the bank for the remaining \$60,000.00. **This year we must buy the property before someone else buys it or increases the price of the property.**

We thank each of you for your great love, faithfulness, and compassion on behalf of lost souls.

Prayer Requests

1. That those saved during the conference would endure and grow in the Lord
2. For wisdom to shepherd the church in the pandemic
3. For virus protection
4. For the provision of the finances needed to purchase the property for the church

Because Jesus Christ lives,
