

THE ROUSE REPORT

REVELLINGS IN THE WORKING OF GOD

March & April, 2021

Despite the weather and the politics, God still continues to be good, and the gospel is good at changing lives. Robin has been working with some children, and through her teaching, one little girl made a decision to trust Christ as her Savior. Her parents were very excited about her decision. Robin says this girl is like a sponge just soaking in all she can about Christ and the Word. Among others that I have witnessed to, one is a man named Cody. The opportunity to give him the gospel was an obvious divine appointment. I wish I had room to tell the details. His grandpa was a preacher, and he himself grew up in church. He has John 3:16 memorized. But, he is lost as a wayward goose. Pray with me for his salvation.

Despite the COVID situations and restrictions, some of our team has been

able to conduct a few conferences in person. We have had two in Mexico, one in Paraguay (a first!), and one even in Venezuela. There has been 292 salvations and at least 56 brethren that have surrendered for full-time service. Fires of Evangelism continues to push forward to have an in-person conference in June, the 21st through 24th. Pray that many folks will come and that God will meet with us in a special way.

In just a few weeks, I will be heading to Bogota, Colombia, to teach classes of

Old Testament Survey to nationals. Pray that God will guide and empower me to accomplish His good will in this effort. This week I also secured tickets to go to Mexico City with my son-in-law, Enrique, to do a special meeting with a Mexican church planter in July.

God is good. In March, God blessed our daughter and her husband with a little

baby girl who they named Isabel. We are now up to five grandchildren. Pray that God will allow Robin and me to influence our grandchildren for His glory!
