

THE ROUSE REPORT

REVELLINGS IN THE WORKING OF GOD

May & June, 2021

Paul warned us in Timothy, "...that in the last days, perilous times shall come." Over the past year there is no doubt that we have seen and heard things that make these words quite vivid. But, when I walked into church the Wednesday night before I left on my trip to Bogota, Colombia, my heart was startled with a twinge of fear. The first person I greeted asked, "So, I suppose you've heard what's been going on in Colombia, right?" Uh, no. Then, Bro. Gerry, who reads the missionary prayer letters each week, publicly mentions the rioting taking place in Bogota and other Colombian cities, and asks publicly, "You still going to Colombia next week, Victor?" I quickly got myself informed, communicated with the missionary, and then discussed the situation with Robin. She was concerned, but if I was OK with going, she was OK.

Julio & his wife Rosita, deans of students, with son Julian

I did go. God blessed. I had safe travels there and back. Colombia is still pushing social distancing and mask wearing. People have had enough of the shut downs, so we did not have to deal with that. Only one time did we see rioters, but they did not affect us. It was a privilege to be able to teach the Scriptures (Old Testament Survey) in Spanish to hungry and aspiring young people. It was a blessing to meet and talk with young people who have a vision of being used of God. One young man, Daniel, has a burden to reach the military. One young lady has a great desire to have a ministry reaching and developing single women and mothers. While there I spoke in

two different churches: one with Pastor Julian and the other with Pastor Omar. On my trip back, God put me in the same row with a commercial pilot who flies for the United Nations, and I was able to witness to him.

As we move into June, pray that God will "revive thy work in the midst of the years." We have a Fires conference being conducted this week in Ontario, CA, and we are working to have our first ever Fires conference at the First Baptist Church of Hammond, the third week of this month. This conference will be in Spanish, and we are praying for thousands of hispanics to be in attendance for this special event. Please pray for safe travels and for God to work amazingly in hearts. This last month we had confirmed to us that there will be an in-person conference in Mexico City in August. Usually this conference in August is the highest attended conference of the year.

In family news, praise the Lord for His blessings! Our oldest daughter Charity and her husband, Jamel, just adopted their fourth child, named Joshua. They adopted him as a newborn, and he is our sixth grandchild.

Gratefully yours,

Victor & Robin Rouse
