

THE ROUSE REPORT

REVELLINGS IN THE WORKING OF GOD

July & August, 2021

5, 4, 3, 2,... Time is ticking away: be they seconds, minutes, hours, days or beyond.

The fact is “the night cometh when no man can work.” My attention has been drawn to this truth in the last couple of meetings. During our Fires conference in Hammond, IN, in June, a dear church member of the hosting church suddenly had heart attack and went to heaven. She has no more opportunity to work for the Master. After having lunch with Pastor Valtierra in Tecamac, Mexico, where I was preaching a conference, the pastor received a call asking him to visit a family who had a dying son. The pastor asked me to accompany him. I did. In the home we saw a very emaciated young man of 27 years of age. He could not speak. He was not eating or drinking. There, I was given the great honor of giving the gospel to Jorge. He responded by moving his head or his eyes. He expressed that he understood the truth of Christ and wanted Him as his Savior. Jorge believed and prayed to trust Christ. Pray for his family.

We are so grateful for the opportunities God gives us to serve Him. God blessed the conference in Hammond. We had over 2000 in attendance at night, and 200 pastors and leaders that came. What a joy to be able to have in person meetings!!! We were able to distribute the booklet *Born To Reproduce* to the pastors, and a big THANK YOU to you who contributed to this project and made it possible. In the conference, I

spoke to the men, as well as the young people (over 200 of them!). In July, I traveled to Tecamac, with my son-in-law, Enrique. There I preached a conference on

“Guarding Your Heart”. Hallelujah! It was precious. Four folks came to know Christ during the meeting, and we had a precious final service on Sunday where God touched hearts with tears and forgiveness, people making things right with each other.

Pray for Robin as she teaches a class on motherhood to ladies in our church. Her first was in June. The next is this week, and the final class will be on August 26. She has been very diligent in her preparation. Pray that it will make an eternal difference. In August, we hope to have the biggest in-person conference of the year in Mexico City, Mexico. This month my mom celebrates her 85th birthday, and we also have a couple of meetings scheduled in supporting churches in Ohio. Pray that God will use us for His glory. We are praying for you.

For His sake,
