Stamp Family Update

We praise the Lord for the over 700 patients who received the Gospel over 4 days of clinic! Our team served along side Missionaries Todd and Kathy Beaman in the village of Muma, Zambia.

Our Physical Therapy clinic was able to treat over 100 patients with the help of Dr. Laura Beyea, DPT pictured below

Thank you all for your continued prayers and support. During this special season of Thanksgiving we want you all to know that our ministry wouldn't be possible without

each of you. We thank God for you all and continue to lift you up in our prayers.

Please pray for our interpreter John (pictured above, sitting with a hat on), a long time member at a local Jehovah's Witness Kingdom Hall. While he did not make a profession of faith, I was able to witness to him throughout the week. Please pray for the continued follow up that Missionary Todd Beaman will have with him over the coming weeks.

Please pray for all of the patients who received the Gospel during clinic and that many would begin to attend Calvary Baptist Church to further their relationship with the Lord.
