Dear Pastor and Friends of this ministry.

Greetings in the precious name of Jesus. Merry Christmas To Each And Every One Of You.

Our hearts swell with gratitude to all who support us in this ministry weather by prayer or physical support. We thank God and pray for you asking Him for His rich blessing and power in each place. In our hearts we often sense ourselves with you and long to see you and see His great blessing in your services and homes.

In spite of various difficulties, we are continuing to carry out a vibrant ministry. We all know of the changes that the pandemic has brought and in our case our jail ministry is still on hold. Pray that this ministry will once again open up. Other parts of our ministry is often hindered by the recurring closings of churches because of sickness. BUT THE WORD OF GOD IS NOT BOUND. It is given to us to find ways to continue to reach out. We are doing this through often the same means that so many churches have used. In addition to the recording and streaming in many different places on line of places we have been, we are working to be able to do much more of this at home. As most may know, a viable studio can be set up in such cases. Pastor Charles Green of Vision Baptist Church in Roseville, MI is helping us with this.

A recent physical difficulty that I am dealing with is my left foot. I have long been dealing with peripheral neuropathy and that has caused a falling of the bone structure in that foot. It has been quite painful. The condition is called Charcot Foot. You can learn more of this by looking it up. I now have a walking boot cast extending up to my knee. I am adjusting to it but it is not easy. Please pray for me in dealing with this.

We know that our world is in great need of REVIVAL. Evil is abounding it seem in all directions. It is often very discouraging. But we know that all of this is working out according to God's plan. We do know that His plan is to bring judgment when His people turn away from Him and turn toward the world. In Luke 18:8b Jesus said "when the Son of man cometh, shall he find faith on the earth?" I believe that those who are among the blessed brethren who are praying for us and supporting us are among those whom Jesus does find faithful, and we appreciate it so. LET US PRAY DOWN A REAL SWEEPING REVIVAL AND BE AMONG THOSE WHOM GOD USES TO START IT.

We do pray that your Christmas will be a TRULY BLESSED time that is filled with the joy that has Jesus as the foundation and that the New Year will be one of great service to THE LORD OF GLORY.

In His Love And Service.
