## January & February, 2022

Praise the Lord for health and strength to be able to serve Him! January started out busily. I say busily because I was given the opportunity to participate in our conference in David, Panama. This is in the western part of Panama going towards Costa Rica. I spoke five times in the hosting church before the conference started and then eight times during the conference. But, it was sooo good to be able to have an in-person conference. Over 200 attended the morning sessions, and in the evenings we had nearly 600 in attendance. There were 17 pastors that came. On Thursday night, 55 brethren surrendered their lives to serve the Lord. We are grateful for God's mercy and working!

10:13 so he could look up the verse in the Bible for himself.

Please continue to pray for the Iglesia Bautista Fundamental in Florida. They need a pastor. Their pastor went to heaven back in September. Pray for coming conferences for this year. Next week one starts in Monterrey, Mexico; Venezuela in

One interesting aspect for me during that trip was the stark contrast between people that I spoke to about Christ. On one flight I sat beside a man who is from Maryland and is looking at retiring to Panama. He sternly and abruptly made certain that I would not talk to him about Christ. March; Campeche, Mexico in April. Lord willing, we will have a new conference in Costa Rica in May, and a new one in Colombia in September. I am excited to be able to teach in our Bible Institute in Illinois next month. I will be teaching about "Faithfulness in Ministry".

Pray for Robin as she plants gospel truth into the hearts of kids she works with. And please pray for our children and their families (Charity & Jamel Hamka and Christina & Enrique Coizeau) that God will give them wisdom.

Gratefully yours,

Victor & Robin Rouse
