Dear Prayer Partners,

We are so grateful for your prayers and support. Through your help, the Lord has continually blessed us with all we need.

Psalm 103:2 says, "Bless the LORD, O my soul, and forget not all his benefits:". That has been the main theme in our church meetings this year. No matter what comes our way – hardships or easy times, sorrow or gladness - God has been gracious, and we are helped by remembering all He has done for us.

The Cambodian government has not changed much at all in its dealing with the Covid 19 issue. We as a church have not yet been allowed to bring in the group of children we used to teach, but we are happy to be able to have regular meetings otherwise. Please continue to pray that we can have the children's class again. Several come by and ask about it every week.

Tee has moved outside Phnom Penh now, so he and his family travel about 30 minutes just to get to church. Please remember to pray for his wife as she is not a Christian, and for them as a family as they care for their little boy, David. Srey Tuit and Sambat are planning on getting married, and they're both saving up for the wedding. Pray for them, that they will follow the Lord's will in their lives. Sambat also needs a better job to be able to support a family.

Jasmine will be turning 18 next month and graduating soon. Joshua and Jessica both have a few more grades to go, so I am sure they are a bit jealous. But pray for Jasmine that she will find the direction she is seeking. She doesn't know what she will do after finishing high school. Joanna has been growing up so quickly, and she brings us so much joy! She loves to sing. We thank the Lord for each of our children. Please pray for our whole family as we endeavor to serve Christ in our ministry.

Here's a special thanks to those who have sent us gifts and cards recently. We appreciate them so much! Thank you for praying for Cambodia and for us, and for your faithfulness. May the Lord richly bless you all!

Yours in Christ,

*Ron + Sara Smith*
