The Church

We praise the Lord for His work in the church in Eldorado. This church plant has survived covid and lately we are rejoicing in the Lord for the salvation of souls as well as the addition of a new couple that came to join the church. Praise God! God has also opened the doors for a young man from our first church, to come work with us. Please pray for Beto as we train him for the ministry. A ten year old boy, Ruan, has been learning to play the recorder and is now playing during services. We would like to invest in him and transition to a keyboard, since he has musical talent. Pray that God will direct us in this.

Camp

Family camp was a blessing! We had over 200 campers this year which is a little smaller than normal. Several trusted the Lord as their Savior, including these five kids.

Many christians were challenged to take a stand in “Such a Time as This”. Our theme for our camps this year is, “Such a Time as This”. Our desire is that christians will wake up to what is going on around us and get busy preaching the Word and living out sanctification, in these disturbing times.

Camp Bathrooms

Unfortunately we were not able to get the bathrooms remodeled in time for camp, but we were able to get part of the girls bathroom done. We did have some issues with the labor and will now be continuing at a slower pace.

Family

Kevin, Zirlene and I were blessed to be able to participate at the BIMi field conference this past week. We not only enjoyed the relaxing time of fellowship with fellow missionaries, but also were blessed by great preaching.

Stanley continues his studies and is finishing his sophomore year in college. Please continue praying for his studies as well as that the Lord may supply his financial needs forward.
