Street Preached-

GREETINGS FRIENDS OF OUTCRY-

Fri Oct/1/2021- I met with Ken Thiele and our ministry helped purchase Veterans Chapter 154 in Frasier a stove and stove top for their organization. That night Brother Curt Hamilton, Brother Daniel Ewald and I fed, clothed, sang and I preached at "Motel Hell".

A hand is holding a framed plaque. The plaque is gold with a black border. At the top, it features the VFW logo in red and gold. Below the logo, the text reads "VETERANS OF FOREIGN WARS." in red. The next line is "LT Wood - CPL Reid," in black, followed by "VFW Post 6691, Fraser, MI" in black. The main body of the plaque says "Deepest Appreciation" in a large black serif font, followed by "Extended to" in a smaller black serif font. The name "Kyle 'Brother Joe' Hicks" is written in a black cursive font. At the bottom, it says "For all you do in support of our Post and its missions" in a black serif font. The background is dark, and there are some boxes and bags visible in the lower part of the frame.

Tues Oct/2/2021-

Weds Oct/6/2021- Attended a Special Meeting with Pastor David Peacock at Bible Believers Church in Northville, Mi. where Mike Reagan is Pastor.

Thurs Oct/7/2021- Attended a second night at the Bible Believers Church to hear Brother David Peacock it was wonderful.

Fri Oct/8/2021- We left for Biketoberfest.

Sat Oct/9/2021- BETWEEN MIDNIGHT AND MORNING- After the theft of our trailer I had said the one-liner "Between Midnight and Morning they stole our trailer". While sitting in a Motel outside of Jacksonville, Florida on our way to Biketoberfest 2021 I picked up my guitar and began messing with a tune and about 15 minutes later Miss Lisa and I had cobbled together a song, we were both in tears by the time we finished that new song "Between Midnight and Morning."

Sun Oct/10/2021- BIBLE BELIEVERS BAPTIST CHURCH- Miss Lisa and I were thrilled to become members of the Bible Believers Baptist Church in Jacksonville, Florida. Literally at the invitation of Pastor David Peacock, Brother Peacock is a former Police Captain there in Jacksonville years ago and over the past several years has been an advisor and teacher to Lisa and I. I've been deep into the streets since I was a teenager, but Brother Peacock has taught Lisa and I more about the changes on the Streets plus lifted a lot of my personal "Guilt Trips" off of my own head and heart since I was a child I always wanted to be Detroit's Lester Roloff. One night several years ago I went from wanting to be Brother Lester to being more like William both but even then Brother Peacock advised us, "Just keep doing what you are doing, and help the City Officials the best you can in solving problems." I know I belong in the Streets and always have we are THRILLED to be even thought to be worthy there! Our Ministry is still in Detroit as it always has been our Mission Board is still Word for the World in Rossville, Georgia. It is great to have our advisor a Preacher who knows more about the Streets than I do to be our new "Captain" and Miss Drena Peacock and Miss Lisa are close too.

SALT IN THE EYES TO SALT OF THE EARTH- Is another one liner that I have used in describing our problematic little street ministry, in so many ways "Brother Joe" here and my clothing, trailers, broke vehicles or "Junk" have in SALT in the eyes of good people, and I'm sorry. Those who have either been with us or seen pictures of the folks we help have no doubt how important our feeding, clothing, preaching ministry on the Streets of Detroit is, but it's a mess and like the Mayor of Garden City Michigan said years ago about our previous flood back in 2010, "You can't put 10 gallons in a 5 gallon bucket. During this past January after I ruffled feathers again with all my "Junk" I knew trying to make everything fit and trying to hit a constantly moving target, I have been mistaken for years not getting at least a fence to hide all my "Salt in the Eyes". Sorry to everyone that I offended. I have a tongue in Cheek joke that I'm from an All American Tribe called "IN-YOUR-WAY" and you can't be in our work without huge supplies. But our optics are terrible.

Mon Oct/11/2021- We began to minister some that week after unloading into our Motel, buying food for the week and I was nursing a pulled muscle in my back during this "Unofficial Event".

HILLARIOUS- We passed out tracts mingled with the Biker Crowd but by Thursday October/14/2021- The volume of the stereos on the motor cycles literally blew my preaching away and I had a microphone and small speaker. Miss Lisa was just passing out tracts, laughing at me and watching me flop around doing a dying Duck fit while trying to preach over the crowd, roar of the Harleys and the deafening stereos! We arrive early at these Biker Events and sometimes stay after the bigger crowds leave because of the noise. NOTE TO SELF GET A BIGGER SOUND SYSTEM!

Fri. Oct/22/2021- Miss Lisa and I recorded a live version of "Between Midnight and Morning" by then there was only us and a few Bikers & Homeless people on Main Street.

While we were in Daytona, Brother Curt Hamilton and Brother Daniel Ewald fed and clothed and fed folks 3 at our spots up in Detroit THANK YOU!

BUT ONCE AGAIN Brother Joe did not catch a Shark... Unreal... But I did catch a gnarly looking critter called a Lizard Fish!

Mon Oct/25/2021- After getting home I was contacted by Mike Sand to come to a meeting at V.F.W. 6691 I went and was given a plaque for our helping them with the stove for their chapter. THANK YOU!

Family Time it was good to see several of my family members, talking about the strength that our Parents and Grand Parents had is an encouragement spiced with both tears and humor.

Well October was great and it's like the end of warmth and prepares our minds for the changing of gears in our ministry from warm weather gear to winter clothing and ministry.

Love Y'all Brother Joe. Acts 16:31

Keep us in your prayers!

Love Y'all!
