

May 2022

We hope that you are having as wonderful of a month as we are. Part of our month was spent at Vision Baptist Mission's Annual Orientation, and we had a fantastic week there. We learned many practical things about missions and were also greatly encouraged with wonderful reminders from the Word of God. We have been blessed this month with safe travels, wonderful fellowship, and several new supporters.

One of those new supporters was an especially sweet visit because, two years ago, they generously allowed us to use their building for our wedding. To be back there again as a family, sharing the ministry God has laid on our hearts, and then to be made a part of their missionary family, was very special.

Another sweet visit we made this month was to a church in Michigan that we had never met but that has already been supporting us for several months. They took us on by faith, and asked us to come visit as soon as our schedule allowed. To finally be able to meet them and thank them in person for their support was a great joy.

Because of these, and many other kind and faithful churches who daily bless us, deputation is continuing to progress in God's perfect timing and, Lord willing, we will still be on our way to the field before this year is over! Plans are rolling forward and we have details to update you on.

1 Sofia reminding you to pray for Honduras

The biggest news we have to share is that there is a slight change in our language school plans. As many of you know, our mission board has encouraged us to spend the first year after deputation bringing our Spanish to a higher level of fluency and working with a veteran missionary to gain experience on the field before starting our first church plant. Originally we were going to be doing our language school in Mexico, but God has opened the door for us to go straight to Honduras! We will be living near some missionaries that Andrew knows in northern Honduras. Needless to say, we are excited about this opportunity. To be headed to Honduras a whole year ahead of schedule is exciting. ***Please pray for us as the details are worked out and we make our way there this year.***

Thank you for your faithful prayers and care for us. We hope you have a wonderful Mother's Day! Serving Christ,

Andrew & Amber
Garcia
