When one of my Chinese friends was ready to go he would humorously say, "Let's make a move!" This phrase has crossed my mind more than once in the past couple of months.

We praise the Lord for two BIO missionary families making the final move to the mission field. In March, Amber Yingling (our daughter) made her move to the Philippines, and in April Matt and Melany Parrott made their move to Bolivia. Please pray for Amber and the Parrotts as they settle and adjust on the mission field.

We also praise the Lord for a family that decided to make the move to missions. Eric and Mariah Hendricks were recently approved as BIO missionaries to the field of Zambia. BIO has a wonderful team ministering in Zambia. We are excited to see how God will use this dear family. Please pray for safety and effectiveness during their deputation ministry.

Recently my mom decided that it was time for a major life change. She bought a house next to ours, and we

helped her sort, pack, pitch and move. It is a blessing to have her so close and to serve together with her in our local church. My dad has been gone for two years now. Please pray that God will continue to comfort and use mom for His glory.

We praise the Lord that Jeremiah will be graduating with a diploma from Berean Christian School on May 28, 2022.

He plans to major in Youth Ministry at Pensacola Christian College. We will move him to Florida in June. He begins work at the print shop on campus on June 6.

We praise the Lord for the opportunities that the Lord has given us to see Him move through our ministry since our last prayer letter. We look forward to more ministry opportunities in the coming months. Thank you for your faithful prayers and your financial partnership with us in this ministry.

Thank you so much for your prayers and support. We love you and pray for you!

John 10:16 "And other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd."
