

# THE KRUCHKOW UPDATE

## Missionaries to Mongolia

*“But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.”*

## The Wait Is Over! God is So Good!

**We have had quite a year!** The blessings from above have been almost overwhelming. We were allowed to enter back into Mongolia after a long wait for the **Covid restrictions to lift**. We have **completed a seventy-eight book Sunday School series** that we have been working on for several years. We have **added a daughter-in-law and also another granddaughter** to our family. But the biggest blessing this year is the **acquisition of a building that will become the home of our print shop, First Light Press.**

The Lord continues to work to bring the pieces together. We are so **grateful to our supporters and donors** who have helped to make this endeavor possible. With this new print shop building, not only do all our **current programs benefit** from this space, but God is also opening new exciting ministry opportunities. John 4:35 says, *“Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.”* Mongolia is *“white already to harvest.”*

We continue to **seek financial support** with the **renovation of the Building of Hope**, the future home of First Light Press. We are so excited that this **5500 square foot building** will give us the freedom and flexibility to facilitate many of our programs in **our own space**. We have many renovation projects and repairs to make on this property, but this opportunity is **certainly an answer to our prayers**. We are looking for partners to join us in this ministry effort through financial support. (Please take time to look at the update of the puzzle on the back of this newsletter. The puzzle represents the many contributors who have already given to the building of hope.) We could not effectively serve Mongolia without the generosity of our contributors. Philippians 1:3 says, *“I thank my God upon every remembrance of you.”*

**Below are some of the current projects your donations will be used for in the building renovation:**

1. **\$3,000** - for the purchase of supplies and **connecting sewer** to our building.
2. **\$6,000** -for the purchase of supplies to **connect water** to our building. Possibly drilling a deep well.
3. **\$5,000** - for the purchase of materials to **renovate and paint** the first floor of the building. This

will be the press room, bindery room and digital press room.

4. **\$16,000** - for the purchase of supplies to completely **renovate the second floor** of the building to meet the ever growing need of the printing ministry.

Please continue to prayerfully consider supporting the renovation of the Building of Hope as we endeavor to show the Light of Christ to this dark and lost country of Mongolia.

**First Light Press is a ministry of BATA Missionary Fellowship and we are a 501(C)3 ministry. All donations are tax deductible.**

...What therefore God hath joined together, let not man put asunder....Matt 19:5b

Asking our friends and family to lift this sweet couple up in your prayers as Noah continues to be caregiver for his Grandfather, Jerry Kruchkow and Michaela completes her senior year of Bible College! Busy times for both of these big hearted young people! We enjoy seeing their smiles, love for the Lord and sincere delight in being married! Congrats Noah and Michaela!

**Good News From Afar**

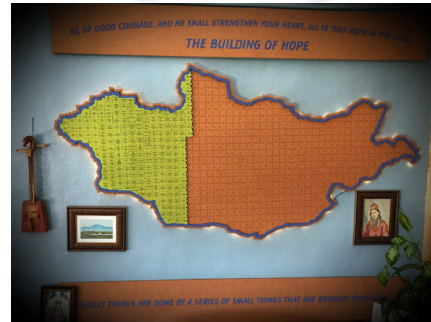

Praise the Lord and what a blessing! We have completed the seventy-eight book series of Childrens Sunday School Bible stories. It has taken several years and a lot of work, but only time will tell the amount of souls these books will affect. Pray with us as we begin to package these into sets for delivery.

Below are a few of the many workers it has taken to produce these books.

**The Lord continues to work to bring the pieces together.**

We would like to say thank you to those of you who have already given toward the completion of this puzzle. May the Lord richly repay your generosity.

The puzzle allows us to see how far we have come and also how far we have to go. A completed puzzle will give us a fully completed and renovated building that will be used to print God's Word for these forgotten people of this region of the world.

As you know each piece of the puzzle represents one thousand dollars that has been contributed by a church, business or individual to help purchase, renovate and equip the Building of Hope. Each piece also is engraved with the donors name. This allows us to pray for you. God has been so good to this ministry.

We have listed on the front of this newsletter four more projects we are working on now. We need thirty or more puzzle pieces donated to see these projects completed. Would you please pray and considering helping?
