Peter Doolittle Family in Brazil

Dear Prayer Partners,

The Lord has greatly blessed our family over the past few months. With Stanley back from the U.S. we were able to spend the summer together, serving the Lord and enjoying our time as a family. The ministry work is never-ending but we have seen the Lord working mightily especially in the church with several new people now attending and hearing the message of Salvation!

However, our time together is coming to a close. Kevin will be heading to college this Fall and we will become empty-nesters. Though it will be a challenge not having either of our boys with us, we look to the Lord for strength and wisdom for both us and them in this new stage of our lives.

In order to help the boys get settled for college we will be traveling with them to the U.S. on August 9th and will stay there until their classes begin at the end of the month. Another reason for this trip is because of Zirlene's documentation. In order to keep her Green Card she cannot remain outside U.S. soil for more than a year. So, by taking this trip now we would also be able to take care of that. We are looking forward to this last month together and covet your prayers on the behalf of the boys and us as we continue serving the Lord.

Thank you to all of you who are backing us up in prayer and show such love to our family and ministry.

Please pray for:

Travel

A safe and smooth trip on Aug. 9th.

College

That the Lord may supply every need and that the boys may adapt well.

Ministry

That God grant Peter & Zirlene the wisdom and strength to face this new stage of life.
