Psalm 100:4 "Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name." We are thankful unto Him for many things this fall.

Thankful for Opportunities!

We are thankful that we can work together with leaders from other mission agencies to grow in our ministry of missionary care. I am extremely grateful for my friend Chris Luppino and for his leadership in this area. Chris serves as the Director of Missionary Care with Gospel Furthering Fellowship.

We are thankful for the opportunity to minister to New Testament Baptist Church twice. I was blessed to preach a youth night at the church and then to help them celebrate 50 years of God's faithfulness by sharing a testimony of their missionary ministry through BIO over the past years.

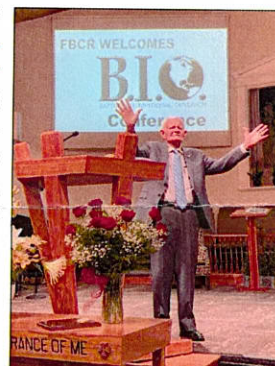

We are thankful for the opportunity to represent BIO at the Baptist Friends Meeting in Powell, Tennessee. It was good to see old friends and to make new contacts with young people eager to serve the Lord on the mission field.

I am thankful for the opportunity to preach three missions messages for Cornerstone Baptist Church in Oakville, Ontario through Zoom. The international open door that God has given this church is incredible. Pray that God continues to use this church to reach many of the unreached people groups from South Asia and other places that now live in Oakville, Ontario.

Thankful for our BIO Fall Meeting!

One of my responsibilities is to plan and moderate our annual BIO Fall Meeting. This year the meeting was hosted by First Baptist Church in Ruskin, Florida. Even with a tropical storm, the meeting was a tremendous success. Dr. Don Sisk and the other preachers delivered stirring messages. First Baptist Church ministered to us

with their music ministry. The workshop on missionary debriefing by Chris Luppino edified everyone present. It was equally exciting to hear from many of our BIO missionaries as to what God is doing through them around the world. We are thankful unto the Lord that over \$3,100 dollars was raised for BIO. Thank you, First Baptist Church!

Thankful for Fellow Workers!

A pastor friend and fellow worker donated hundreds of missionary biographies for our BIO library. Nicole and I drove to Atlanta to pick these books up in our van. While we were there we were able to encourage another dear fellow worker. Carol Woodley, a recent widow continues to struggle with long-term COVID. She is the founder and director of Cornerstone Baptist Academy for the Deaf in the Philippines. Please lift her up in your prayers.

Thankful for You!

Thank you for your faithful partnership with us in this missionary ministry. Without your faithful prayers and support we would not be able to carry out this ministry. The Lord continues to provide for our every need through your support, and He continues to protect us as we travel through your prayers. We love you! We pray that this holiday season will be full of His blessings for you and yours.

We are thankful unto Him!

Thank you so much for your prayers and support. We love you and pray for you!

John 10:16 "And other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd."
