

DEAR PRAYING FRIENDS & FAMILY,

November 2022

What is your favorite food? Is that a weird question to ask in a prayer letter? Well, it's the question we asked some of our kids in Bible Club. One's answer to this question might vary, maybe depending on your mood, the weather, or time of day. But to many of our kids, eating is survival. One kid answered, "whatever will make me full." We mentioned during our deputation video that we wanted to feed these children both physically & spiritually. We are so happy that this desire & long-awaited calling has become a reality. Thank you for your generosity in making this possible. We love seeing our Bible Club kids & those we meet door-to-door also come to church. There were so many visitors we had a problem with parking. We praise the Lord for 3 people accepted the Lord last Sunday!

In the beginning of this month, the Philippines celebrated All Saints' Day. It is a National Holiday where family members who have passed are remembered. Many people travel back to their hometowns where their family members are buried and spend the day at cemeteries. Tommy went with a team from church to pass out John & Romans Bibles. They passed out over 3,000 just in 1 day.

This month, our church also held our Mission's Conference! How exciting it is to be part of a church plant in the Philippines that is actively supporting & sending out missionaries to other countries! Metroview Baptist Church voted to take on 3 missionary families going to Thailand, Cambodia, & a Restricted Nation!

“My favorite food is whatever will make me full.”

PRAISES & PRAYER REQUESTS

1. When we talk together as a family about living & serving in the Philippines, we can't help but express our gratefulness. If you already watched our 1Mon1Min video, it looks a little different, so please let us explain. When we were going on short-term missions trip prior to being called to the field, it really helped us to see first-hand: how God provides for missionaries, how God gives grace for the changes & culture shock experiences that come with moving your family to a country on the exact opposite side of the world, but also see that missionaries still live regular day-to-day lives! Please let us know if you have questions about being on the field. We would love to share what we can with you.
2. Funny Story: Jen took Ellie on a Mommy-Daughter date the other day & Ellie mentioned, "Oh, I have a part in the Elementary Christmas Pageant." This was news to us! Ellie decided to take herself to the music teacher at Faith Academy to audition for this musical. Jen asked Ellie what song she sang & Ellie casually said, "It's a song that I made up myself!" (This child keeps us laughing & constantly on our toes!) Jen asked her when this audition was & Ellie said, "2 weeks ago, I wanted to surprise you!" Well, she said that she got the part as Mary! Jen went to go look at the results that were posted the day before & sure enough, our Ellie will be playing the singing role of Mary in the upcoming Christmas Pageant! Her music teacher came & found Jen last night & said Ellie's audition was "Exceptional!" Exceptionally good, or ...? hahaha! Please pray for Ellie for her upcoming musical debut!

In His Service,
