Pray for Us as We Move the Print Shop

Dear Family and Friends,

We cannot say thank you enough for your unending love, prayer, and support! **This past April we were able to secure a building in Mongolia for the printing of God's Word.** We are so thankful for all the behind-the-scenes work and workers. So much has gone into this Building of Hope and we are not taking your part in this lightly. Psalms 129:8 says, "The blessing of the LORD be upon you: we bless you in the name of the LORD."

As you may know from reading our last newsletter, we have a building in Mongolia that needs work before we can move the print shop to that location. We will be moving the print shop to that location as soon as we have the building renovated and usable for our printing ministry. We had hoped to return in mid-September with the needed money to complete this renovation, but, unfortunately, the money did not come in. We are still on the road raising the needed funds.

You may also know, while working on the print shop Building of Hope we are still at the old building and it is for sale. We were informed by the owner that as of November 1st there will be many changes made as to the way we are allowed to use this building. The changes make it almost impossible to continue working there. So we will be heading back to Mongolia on November 4th to begin packing and moving the print shop out of its current location. God has given us a great team to help us with this great task. We have purchased a forty foot container and it has been delivered to our old building. This will allow us to store many of our things in this container while we continue to work on the Building of Hope.

Because of the urgency to get back to Mongolia, we did not have money allocated for tickets and a container. These two expenses add up to \$10,000. Please pray with us about this need. Also please pray for us while we are in Mongolia. This will be without a doubt one of the busiest trip we have ever made. I Thessalonians 5:25 says exactly what we feel, "Brethren, pray for us." Above all that is said and done we need your prayers.

II Thessalonians 3:1 says, "Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you." Pray for the salvation of the Mongolian people!

The Distribution Has Started!

We have worked hard for the past several years to complete this 78 book series of Sunday School lessons. Each book has 16 full color pages for the teacher to show the students along with several pages with the story written out. It makes it very easy for the teacher to teach biblical stories to their students. The free distribution of these books has started. Pray that these materials will have a great effect on the Mongolian Children.

Noah, Michaela & Cecilia Kruckow

Please pray for our son, daughter-in-law and daughter while we are in Mongolia. My father (Jerry Kruckow) requires round the clock help and they have volunteered for the job. Psalms 71:9 says, "Cast me not off in the time of old age; forsake me not when my strength faileth." Our desire is to love, honour and take care of my father in his old age.

WE HAVE A BLOG!

We would love for you to take a few minutes to browse through our blog and let us know what you think. New posts will be added to keep you updated. Hoping this will keep you informed on what is happening in Mongolia.

It's Time. We Need This Now!

It has become obvious to us that we need a digital press. We have a high demand for short run literature like Bible college curriculum, educational materials, commentaries, etc. These materials are printed in runs of fewer than one hundred pieces. To make this cost effective we need a digital press.

If you are interested in helping with this need, please email me at batamissioninternational@gmail.com. The price for the equipment and supplies is ten thousand dollars. Your help is needed. We have many small run jobs ready for printing.

Praise the Lord! We had one church that has sent one thousand dollars towards this need. Would you be the next one to give to help us with our short run demands?

"Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again."

The Lord continues to work to bring the pieces together.

We would like to say thank you to those of you who have already given toward the completion of this puzzle. May the Lord richly repay your generosity.

The puzzle allows us to see how far we have come and also how far we have to go. A completed puzzle will give us a fully completed and renovated building that will be used to print God's Word for these forgotten people of this region of the world.

As you know each piece of the puzzle represents one thousand dollars that has been contributed by a church, business or individual to help purchase, renovate and equip the Building of Hope. Each piece also is engraved with the donors name. This allows us to pray for you. God has been so good to this ministry.
