NOVEMBER/DECEMBER 2022

MISSIONARIES TO PERÚ

It is a joy to write to you during this special time of year. Luke 2:10 says, "And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people." The good news of Jesus Christ is for everyone. May the Lord help us to live a joyful Christian life this Christmas, sharing with all people the good news of Jesus Christ.

Prayer Needs:

-Please pray for Peru's political situation. We are safe, but there has been much unrest in recent days.

-Salvation of José Luis, Feliciano, Blanca, Victor, Rosa, Mirtha, and Miguel

-Advancements on our children's visa paperwork

-Alejandrina, who trusted Christ in July, passed away in November. We are so thankful that she made this decision before it was too late!

-We are planning a brief furlough May-August 2023. We look forward to seeing many of you along the way. If you would like us to stop by your church, please let me know: 330-238-4944

Missions Conference

In November, we were able to hold our first missions conference at Redención. We were blessed to have two missionaries with us, one serving in Honduras, and another in Cusco. The first night of the conference, a faithful teen brought his cousin Kenny, who trusted Christ as Savior that night. We praise the Lord that he was able to hear the Gospel during his short visit to our city. This past Sunday, the church voted to begin supporting the two missionaries that were with us as well as a third missionary serving in Ecuador. May the church always have a heart for missions!

New Property

We are so thankful to have finally completed the purchase of the new lot next door to the church. We have had several work days and have been able to make a structure so that the children can have their class outside during these hot months. Thank you to those who have prayed and given towards this purchase!

Church Growth

God continues to bless with more and more children and teens coming to our Saturday Bible club and youth meeting. Many of them are coming on Sundays as well. We use our car to pick kids up and take them home, especially in the evenings because of safety issues. Last Saturday night, I had just dropped off the last teen, when a drunk man threw a rock through the back window of our car. I am so thankful that there were no more teens in the car, so that no one was injured!

Summer Ministry Opportunities

Please pray for us as we prepare for teen camp, VBS, and other summer outreach. This is the first teen camp we've been able to have in three years and the first time that we've had enough young people to need to have a second week. If you would like to give a gift to help off-set the costs of the camp, you can send it to MWBM marked, "Special Project." Thank you!

From our family to yours, we want to wish you a very Merry Christmas and a Happy New Year! Thank you for your faithful prayers and giving!

Rejoicing in the Newborn King,
