

**Urgent letter regarding
Our situation in Lebanon**

Dear friends,

We missed you all from Lebanon. We are praying that everything goes well with you and your ministries. Thank you so much for your prayers and your support for our ministry and family. As you know Lebanon is going through many problems economically and politically. No president till today and there is no stability. Everything expensive to buy electricity, water, food, gas and medicines because the Lebanese pounds lost its value.

So, we are writing you this letter to let you know about the great needs of our people in our church and in our village where we live. So please, pray that the crisis does not prolong and we appeal to you to help in any way you can so we can help others in this difficult time.

We like to help these people by:

- Feed them in our church once a week
- Provide a monthly voucher that they can purchase things from the supermarket
- Buy medicines for the needy
- Help the needy family financially (rent, health, schooling, widows etc.)

We don't have the support to help them, so we covet your support because
"two mites of the poor widow woman make a far thing" Mark 12: 42

We hope that you can support us in this matter.

The way that you can send your support is through our mission board:
