January 2023 Prayer Letter

Dear Prayer Warriors,

We are once again thankful that God granted us a safe and healthy month. I was able to go to some of the planned meetings in Florida at the beginning of the month, but did head back sooner than originally planned when we learned that Brittany's labor was imminent.

After my return to the Frederick area, Renata did stay quite comfortable for a week and a half. We are happy to report that Renata was born on January 22 at 9:21 AM, and she was 8 pounds 5 ounces and 21 inches long. Both Renata and Brittany have been doing well since, and we are grateful for your prayers for that whole process.

We are also pleased to report that we now have 79% of our support incoming, with some additional support pledged! We are thankful that support is continuing to come in, and we trust that God will raise up our support before we leave for Honduras in April.

During the upcoming month of February, we will be taking some time to allow Brittany to fully recover and to adjust to life as a family of four. At the end of the month, I will be part of a Mission Conference in Texas, Lord willing. We would appreciate your prayers for a continued smooth recovery, that paperwork for Renata's passport would come very quickly, and that God would continue to keep us safe.

In Christ's service,

*Tim Pontius*
