Peter Doolittle Family Newsletter

Family

We have entered the New Year with a full schedule, the work never stops! We praise the Lord for health and the blessing of living for Him and seeing His Word changing lives. Stanley and Kevin are doing well and working hard to pay for college and get their degrees so they can return to Brazil as they feel is the Lord's calling for their lives.

We thank each of you who sent us Christmas love offerings and Christmas Cards. Your love for us and our ministry is a great encouragement as we serve our Lord in Brazil.

The Church

The church has been growing, especially through the children's ministry with many coming and bringing their friends. We are also conducting multiple personal Bible studies with unsaved and discipleship with the newly saved. Please pray for the Spiritual growth of these "babies in the Faith" who come from backgrounds of Pentecostalism and prosperity preaching churches, that they may understand the true Teaching of God's Word.

Camp

We have eight camps planned for this year. With our theme being "Compassion" as the world around us darkens, we want to challenge the saved to go out in compassion and with a passion to bring the lost to the Light.

Our first Camp of the year is our Family Camp (February 17-21). Please pray for the hundreds that will be attending, that the Lord may touch their hearts and challenge them to his work; as well as that any unsaved may come to know the Lord.

Camp Maranatha has been carrying on the Lord's work for 45 years in Brazil, several of the structures are old and in need of repair. As the price for campers barely covers meal costs, not much money is left for these necessary works and they add up. We have started tackling some of these by faith, trusting that the Lord will provide the funds.

Guardians of the Faith

We graduated our first class of "recruits" into the Guardians of the Faith club at the end of last year. Praise the Lord for the growth and changes we are already seeing in the lives of these young men.

Prayer
