UPDATE

March 2023

Family Camp 2023 was a Blessing!

We had a WONDERFUL Family Camp this year. As we prayed and prepared for this camp, we had no idea how wonderfully God would work in the lives of those who came.

This year, almost 1/3 of the campers were unmarried young people 13 and up. What a BLESSING! It was great to see their response to the preaching, with many surrendering their lives to live for the Lord.

Our theme this year is "ComPassion"

In Portuguese the word Compaixão means; Compassion, but if the word is split, Com Paixão, it means; with passion.

Our desire this year is for the saved to have Compassion for the lost and needy, but also that they live the Christian life "With Passion".

We saw many come to the altar, some for salvation and many others who felt challenged to ask God to give them COMPASSION for souls as well as the desire to live their christian lives with more PASSION!

We thank God for surrounding us with pastores and brethren that worked together as a team here, as well as for all of you who backed us up in PRAYER.

Please continue praying for our church and Guardians of the Fatih boys ministry. We will share more about them in our next letter.
