February 2023 Prayer Letter

Dear Prayer Warriors,

During most of the month of February, we have stayed in Charles Town, West Virginia, so Brittany can recover and we can adjust to life as a family of four. We are thankful we were able to attend services at our sending church, Frederick Baptist Church, while also visiting a supporting church that is in the area as well. I did attend a missions conference in Texas on my own at the end of this month.

We again are grateful to God for our support continuing to increase, and we are now at 84% of our support goal! We appreciate your continued prayers that the remainder of our support would come in quickly.

In the last prayer letter, I alluded to the fact that we would need to raise additional funds for our move to Honduras. At that time, I was still working to calculate what that total would be, but now we know that we will need to raise about \$25,000 to \$30,000 for the move to Honduras and for a vehicle while we are there. We are thankful that we have already raised about \$5,000 toward those needs, and we do appreciate those who have already given extra to help us with this need. We do know that God will provide the support and other funds we need before we depart for Honduras on April 7.

During this March, we will be traveling to meetings in Kentucky, Tennessee, Florida, and Pennsylvania to conclude our deputation. We will also have our exit interview at BIMI's home office, and we will work to pack and prepare our belongings for Honduras.

In Christ's service,
