

Update on the Progress of the Print Shop!

First, let me thank each one of you for praying for the Kruchkow family. Without the faithful prayers of people like you, we would not be in Mongolia publishing God's Word for these forgotten people. Please continue to pray for the us and the lost souls in Mongolia. We arrived back in Mongolia on June the 15th and have been very busy. In our last newsletter we listed a few projects we hoped to work on this trip to Mongolia. Let me give you an update on each one.

☒ 1. Water for the Building

Praise the Lord. We were able to have a well drilled on our property. We have most of the building plumbed and we are so ready for the water. We are having a problem keeping the pump running, but we will be hiring a professional plumber this week! Please pray that we can get the water into our building.

☒ 2. Fence Repair

BEFORE

What a blessing! We now have a new fence. So much nicer and so much more secure. Thank you for your prayers!

AFTER

☐ 3. New Bay Door

The current bay door is far from being secure and does very little to keep the cold out. It is important to be able to keep the printing equipment warm during the long winter months. We have already found a company that will install a Siberian garage door that is designed to keep the extreme cold out.

We Still Need This Door!
\$3,000

☐ 4. Renovation of Print Shop

The Print Shop is cleared out, and all the walls are repaired and ready to be painted. After this we need lighting and electrical and then start the re-installation of the equipment. Much work and prayers are needed.

BEFORE

\$2,000 of \$4,000 Total

☐ 5. Completion of two apartments on the second floor of our building

These apartments are very much needed to help sustain the printing ministry. We rent these apartments out to short and long term missionaries and ministry workers to help pay the utilities for the building as well as to help pay the workers. We are making great progress on this project. The completion of one more bathroom and kitchen will finish this portion of the project. As you can see from these pictures, we are doing our best with what the Lord has given our ministry. Please continue to pray for this project.

\$4,000 of \$8,000 Total

Psalms 96: 2-4 says, "Sing unto the LORD, bless his name; shew forth his salvation from day to day. Declare his glory among the heathen, his wonders among all people. For the LORD is great, and greatly to be praised: he is to be feared above all gods." We have an absolutely wonderful God and we desire to declare HIM in Mongolia! Will you prayerfully consider helping with one of these projects.

Your Missionaries to Mongolia,
Jeff & Kimberly Kruchkow

in six weeks!**

While we were in Michigan the last week of April for my parents' memorial service, Kim had what we thought were severe allergies. On the morning of April 28th, Kim woke up and could not breathe. We called 911 and she was taken to the hospital in Chelsea, Michigan. It took them four hours to get Kim stabilized. It was not allergies but congestive heart failure.

On May 2nd Kim was transferred to St. Joe's hospital in Ann Arbor, Michigan for a Heart Cathe. It revealed no blockages and she was able to be treated with medicine.

Kim spent eight days in the hospital and six of those days she was on life support. Our question to the Cardiologist

was, "Will we be able to return to Mongolia?" The answer was not what we expected. He said, "Why not! You can do this. You need to recover from this episode and have blood work done weekly and watch the numbers."

We went from not sure if Kim was going to make it through the night to being in Mongolia in six short weeks! GOD IS SO GOOD!

I Peter 5:7 says, "**Casting all your care upon him; for he careth for you.**" It is so hard to cast ALL your cares on HIM. Psalm 55:22 says, "**Cast thy burden upon the LORD, and he shall sustain thee: he shall never suffer the righteous to be moved.**" He has sustained us through it all!

Two Very Special Servants of God

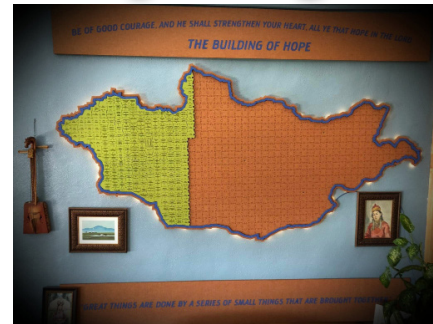

A very special thank you to these two wonderful young ladies that came to work with us for three weeks: Bria and Dezarey. They put up with no

water, no stove or oven, no windows in their room, little English spoken around them, no laundry service and no air conditioning. Yet through all of this they laboured without complaining and were always ready for the next job. Thank you Pastor Adam and Faith Baptist Church for sending these two our way. John 12:26 says, "**If any man serve me, let him follow me; and where I am, there shall also my servant be: if any man serve me, him will my Father honour.**"

The Lord continues to work to bring the pieces together.

We would like to say thank you to those of you who have already given toward the completion of this puzzle. May the Lord richly repay your generosity.

The puzzle allows us to see how far we have come and how far we have yet to go. A completed puzzle will give us a fully renovated building that will be used to print God's Word for these forgotten people of Mongolia.

As you know each piece of the puzzle represents one thousand dollars that has been contributed by a church, business or individual to help purchase, renovate and equip the Building of Hope. Each piece is also engraved with the donor's name, allowing us to pray for you. God has been so good to this ministry.
