We are exhorted to remember those in bonds and those that suffer adversity in Hebrews 13:3, "Remember them that are in bonds, as bound with them; and them which suffer adversity, as being yourselves also in the body." Thank you for your faithful partnership with us. Together, we have been and are able to continue to **remember them**.

Satan fought the missions conference at Avon Park Correctional Facility hard this year. Just before the conference began, one of the inmates, a dearly beloved brother in the church, lost his long battle with depression and PTSD by hanging himself. This sad event cast a pall over the meetings.

On the second day, the entire prison was locked down upon our arrival due to a medical emergency. However, the Spirit of God did His work in answer to your prayer. Several men re-dedicated their lives to the Lord, and the church inside the prison added three new missionaries to their missionary support. BIO has been approved to serve as Avon Park Church's clearinghouse. Just this morning, one of the church leaders messaged me with good news; the church inside the prison has raised \$1,015.00 for missions already. Thank you for helping us **remember them**.

Next month our home church will host the annual BIO Fall Meeting. This year the theme is *Arise, Go, Preach* from Jo-

nah 3:3. The focus will be to encourage those who suffer adversity to arise, go, and preach again the Gospel of Jesus Christ. Our second Missionary Table Talk has been incorporated into the meeting. Veteran missionary and PTSD survivor, Don Mingo, will speak and help moderate these talks. I want to invite you to attend. The conference is scheduled for September 27-29. You can find more information at biomeetings.org. If you cannot make it, please remember to pray for pastors, Christian workers, and missionaries who are suffering from adversity that will be attending this meeting. Thank you for helping us **remember them**.

I am putting together a trip to the Philippines for January 2024. I plan to connect with my daughter, Amber Yingling—who is a first term missionary with BIO in the Philippines. Together we hope to visit our missionaries and pastors in Luzon, Negros Oriental, and in Mindanao. Several of these missionaries and pastors have been struggling and suffering adversity. Please pray for this trip. I will be purchasing my tickets soon. If you would like to help financially with this trip, please send your donation to BIO with *Yingling Philippines Trip* written on the memo. Thank you for helping us **remember them**.

Thank you for remembering to pray for Nicole. Her second knee replacement surgery on July 13 was a success. She is back to work as she recovers and improves. Please remember to pray for me. I am scheduled to have sinus surgery on November 10, 2023.

Thank you so much for your prayers and support. We love you and pray for you!
