Merry Christmas to each of you: our friends, partners, and co-laborers! Thank-you for your continued prayer, concern, love, and support. We want you to know that without you; our work would be much more difficult. Thank-you for partnering with us! We also want you to know that we pray for you as we ask you to pray for us.

While recently reading through the travels of the Israelites after they left Egypt, I was impressed by the number of times God specifically mentioned provisions for the foreigners that accompanied them. It made me remember that people of all nations have always been important to God. It was true in Old Testament times. It was true in New Testament times. It's still true today.. in our time. Dwelling on this truth drives home the importance of the work we do across Latin America. God is still making provisions for people of all nations by sending Missionaries who in the words of the Angel in Luke 2:10 "carry good tidings of great joy" to those who desperately need to hear it. The Gospel is good tidings that bring great joy to the lives of all who Believe!

This truth is especially poignant as we enter into the Christmas season. With these thoughts in mind we wish for you the very best of Christmas wishes and trust that your relationship with the Lord will be more precious to you than ever before. We love you and say again, Merry Christmas!!!

### *Prayer Requests...*

- We are both recovering well from the surgeries we reported to you in October. Additionally, Sandra recently had the 3rd surgery on her foot as well as the surgery on her other (left) hand. She is doing well with both and is really pleased to have these procedures behind her. However, we ask you to continue praying for us as we recover. Surgery only begins the healing process.
- We recently spent some time at Ambassador Baptist College and met many fine young people who are preparing to serve the Lord at various places around the world. It was a privilege to meet and pray with them and we ask that you pray for them as well. Of course, we shared the incredible need that exists in Latin America. In this day and age when laborers are becoming fewer and fewer it was refreshing to see young people with a heart for God.
- Our travel plans and schedule for 2024 are coming together. Please pray for us as we work with our partners in Bolivia and other areas of Latin America.

Again, thanks for partnering with us! We love each of you.

*"Rejoice, that the immortal God is born, so that mortal men may live in eternity." - JAN HUS*
