February 2024 Prayer Letter

Dear Prayer Warriors,

We are very grateful for your continued prayers for us as we continue language and culture learning in México! Brittany and I both continued learning Spanish with our teachers, and we also continued to work to apply our Spanish in the community. We are both thankful for the progress we are able to make in learning Spanish.

We are also grateful for the opportunity to see 4 souls saved during this past month. We were able to observe some Bible clubs and help some with those. Evangelist Limberg Maza had some games and an inflatable he brought, and as families came we were able to talk to and witness to people. We had heard much about Pastor Arrache hosting similar Bible clubs before coming here, and we are glad to see how he ministers in this way.

We did take a quick trip to the US at the end of this month for the wedding of Brittany's close friend, Karissa. We enjoyed getting to spend some time with family while in Maryland. We also enjoyed time with our church family during our quick visit, both in church services and in a basketball tournament that our Christian school's boys team played in. We did make it safely back to México and we praise the Lord for safety in our travels.

I do continue to ask for your prayers regarding our vehicle plate situation. We are still unable to obtain the required documents to be able to register the vehicle, and I began working on the process of getting a driver's license here (while not expressly required, it can make vehicle registration easier, among other things). However, there are other documentation issues that I am trying to resolve in order to get a driver's license here. We do appreciate your prayers in this matter.

In Christ's service,
