

## Dear Prayer Warriors,

God has been so good to us. Many things have happened since our last letter, **BUT GOD** has sustained us and none of the things that happened change the **FACT** that **GOD IS GOOD**.

The ministries that God has entrusted to our hands have been going well.

### THE CHURCH IN ELDORADO

Our church group is faithful and growing in the Lord. We have a young couple of new converts, it is incredible and encouraging to see where they came from, **BUT GOD**, made a difference in their lives. He was a military man who had a bad idea of believers and pastors. She (wife) had already attempted suicide several times, because of terrible things she experienced, **BUT GOD** came into their lives, using our ministry to bring them and now disciple them.

JOSE AND AMNERYS  
(FROM VENEZUELA)  
HAVE TRUSTED THE  
LORD AS THEIR  
SAVIOR.  
PRAY FOR THEIR  
GROWTH.

### CHURCH STRUCTURE

We are raising funds to build new Sunday School classrooms, kitchen and fellowship hall.

### CAMP

Since our **Family Camp** that we wrote about it in the last letter, we have also had our **Ladies Retreat**, where we again broke the record in the numbers. This was a great retreat and from which we have already reaped rewards.

On **June 22nd** we will have a **Couples Retreat** (please pray for this retreat). A big problem in our area is the lack of stable couples and families.

*We will have 6 more camps by the end of the year.*

### CAMP STRUCTURE

As always, maintenance is something that never ends, we are finishing the bathrooms and the next project is the kitchen renovation. Please pray and consider helping us.

### GUARDIANS OF FAITH

This project with boys is going well and it is wonderful to see them growing up and becoming honorable men.

### OUR FAMILY

Peter is still recovering from his torn bicep tendon, which makes things a bit difficult, as so much of the development of camp and church depends on him. It will be several months before he can do normal work again.

**Kevin** came to spend the summer with us and also undergo some health treatment. It has been a blessing to have him here with us.

**Stanley** stayed in the US to work.

Our theme for the year at camp is **BUT GOD**, and we can really see **HIM** act and work in every situation, how **WONDERFUL** it is to serve a **God** like this!

Thank you very much for your encouragement in emails, messages and for your financial support.
