## Missionaries to Mongolia

*Dear Friends and Supporters,*

Greetings in the precious name of our Lord Jesus Christ! As we reflect on the journey this year has taken us, we are reminded of God's unfailing love and provision. It has been a year filled with challenges, but also with blessings that have strengthened our faith and ministry. Some of you may already know of these blessing, but we want to make sure all our supporters know of God's goodness to our ministry. We are excited to share with you a story of God's abundant grace that has deeply touched our hearts and affirmed His care for us.

During our travels this year, we had the privilege of visiting a wonderful church in Michigan. The fellowship and support we received there were a testament to the unity and love that bind us together as the body of Christ. The pastor noticed that the spare tire on our camper was in poor condition. Without hesitation, they took it upon themselves to replace not just the spare, but all four tires! We were overwhelmed by their generosity and care. Their actions reminded us of the verse in Philippians 4:19, *"But my God shall supply all your need according to his riches in glory by Christ Jesus."* Truly, God used this church to meet our needs in a way that we did not expect, and we are incredibly grateful for their kindness and support.

In addition to the tires, the church blessed us with a new computer for our ministry. This was not just any computer; it had all the specifications we had been praying for, to effectively carry out the work God has called us to. The new computer has already made a significant impact, allowing us to connect more efficiently with supporters, create Biblical materials, and manage our ministry's logistics. As we reflect on this blessing, we are reminded of Ephesians 3:20, *"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us."* Indeed, the Lord has exceeded our expectations, providing precisely what we needed and

In a remarkable display of generosity and commitment to spreading the Word of God, a church in Fairfax Station, Virginia, has made a profound impact on our ministry in Mongolia. The culmination of their annual mission conference saw the congregation come together in a powerful act of giving, donating the necessary funds for us to purchase a Heidelberg SM two-color press. This press, now installed and operational in our print shop in Ulaanbaatar, is a vital tool for the dissemination of God's Word across Mongolia.

more. The computer is a powerful tool that will help us continue spreading the Gospel and equipping others for the work of the ministry.

We were overwhelmed with joy and gratitude upon receiving the news of this incredible gift. The Heidelberg SM two-color press is not just a piece of equipment; it symbolizes the love and unity of believers across the globe, united in the mission to share the gospel. This state-of-the-art press allows us to produce high-quality Bibles and Christian literature, ensuring that the message of Christ reaches the hearts and homes of many in Mongolia.

In a remarkable act of generosity, a man from Tennessee blessed us with the funds necessary to purchase a much-needed digital color press for our ministry in Mongolia. This heartfelt donation was made in honor of his beloved wife, who had served as our homeschool advisor for many years, guiding us with wisdom and compassion. Her dedication and love for our education inspired this gift, which will greatly enhance our ability to produce educational materials and spread the Good News. We are reminded of the words from the II Corinthians 9:7, *"Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver."* His generosity embodies the spirit of this verse, bringing hope and opportunity to our ministry.

We are reminded of 2 Corinthians 9:11, *"Being enriched in every thing to all bountifulness, which causeth through us thanksgiving to God."* Our hearts are full of gratitude, not only for the tangible gifts we have received but also for the reminder of God's faithfulness and the loving support of His people. We want to extend our deepest thanks for these incredible donations, for those who have given toward the Mongolian Map and to all of you who have been praying for us and supporting our mission. Your prayers and support are vital, and we are continually encouraged by your partnership in this journey of faith.

On June 16th, a date that holds special significance as both Father's Day and Dixie's birthday, we gathered to remember and honor the life of our beloved daughter, Dixie Carol.

The small, intimate service held for Dixie was a poignant moment of reflection and remembrance. Surrounded by close family members and friends, we shared stories, tears, and laughter, celebrating the beautiful soul that Dixie was. Her memorial garden, now a place of serenity and remembrance, is situated on the very spot where Dixie dreamt of building a home for herself and her daughters. Though she is no longer with us, her dreams and love live on in the hearts of those she touched.

In her memorial garden, we find peace and solace, much like the still waters of Psalm 23. It is a place where her spirit can rest, and where those who loved her can find comfort and reflection.

## Prayer Needs

- ❖ Ticket money for our soon coming trip back to Mongolia. We had hoped to leave back to Mongolia in May but God had a different plan. We are scheduled to leave the last week of August.
- ❖ Building material for our Digital Press room. We need to be able to separate the digital equipment from the offset equipment.
- ❖ Air Purifier for Digital Press room. Ulaanbaatar is the dirtiest capital in the world. We need to keep the air clean in the digital press room.
- ❖ VBS funding for Straight Paths Baptist Church in Mongolia. \$750 for a week long VBS.
- ❖ Please keep our family in your thoughts and prayers.
- ❖ Please for our unity, health, spiritual strength and wisdom.

Greetings in the name of our Lord and Savior, Jesus Christ! The members of Straight Paths Baptist Church in Mongolia are reaching out to share an exciting opportunity to impact the lives of many children through their upcoming Vacation Bible School (VBS) program. Under the pastoral care of our devoted partner, Pastor Togsuu, they are preparing for a week-long VBS filled with spiritual enrichment and joy for over 50 children each day.

Their VBS is scheduled to be an all-day, all-week event that will provide these precious children with not only Bible lessons but also games, crafts, songs, and meals. They believe that through this VBS, they can sow seeds of faith and hope in their young hearts. It is our fervent prayer that this ministry will bring many souls to the saving knowledge of Jesus Christ. As the Scriptures say, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost" (Matthew 28:19).

To make this VBS a reality, we need to raise approximately \$750 USD. This amount will cover all necessary expenses, including teaching materials, food, and other essential supplies. Your financial support, no matter how small, will be a tremendous blessing and a direct contribution to the spiritual growth and joy of these children.

We are reminded of the words of our Lord, "And whosoever shall give to drink unto one of these little ones a cup of cold water only in the name of a disciple, verily I say unto you, he shall in no wise lose his reward" (Matthew 10:42, KJV). By supporting their VBS program, you are not just providing for the physical needs of these children but are also investing in their eternal futures.

If you feel led to support this VBS ministry financially or in any other way, please let us know as soon as possible. Your prayers and contributions will not only help us reach our financial goal but will also strengthen the work of God in this part of the world.
