"Starting churches and training preachers in the Dominican Republic"

July – August 2024

Dear Pastor and Brethren:

It is a cause of spiritual joy to be able to communicate with you, to inform of what the Lord continues to do through our ministry.

I thank the Lord for the doors that He always opens to harvest abundant fruits for His glory. **This year, apart from all the work that the local church demands, I have had several opportunities to preach in other churches on the topic of missions and the Christian family, not only in Spanish-speaking churches but also in other congregations of Haitian brothers. The Lord has used me to see many decisions made in the lives of the brethren and to witness souls coming to the knowledge of our Saviour.**

The vacation time in the schools helped us to have our regular activities with the children and youth of our church, only the result was better than other years. We had several children and teenagers, who came for the first time to Vacation Bible School, youth meetings, and camp, get saved and are now faithfully attending church. Please pray for Hugo, Angel, Elijah, Loren, Ashley, Abigail, Leah, Aaron, and others. We are working to get their parents to come with them and give them permission to be baptized.

Last month, we decided to support a missionary to Mexico, Bro. Silencieux Dyrold, who is a member of the church of one of our missionaries. He asked us to pray for his visa, since the embassy does not want to grant it, alleging that many from the Dominican Republic want to come to Mexico to emigrate to the United States. **Please help us to pray for him.** Our goal is to continue to grow and invest in missionaries who are willing to go to other countries to establish new churches.

Another reason for great joy has been that a remarkable number of young people who were born in our church and for different reasons no longer attended have decided to return. Among them is Sister Agustina, who returned with her children: Hector, Isaiah, and Ashley.

Regarding the new work that we have started in the sector of the Port of Haina, we have been consistent in these months. The group of brothers has grown a little, and we have continued winning souls in that place. Please pray for an appropriate place to meet. Where we meet now, the noise of the bars and the music prevent us from preaching and edifying the new converts with the Word.

Thank you again for your constant prayers on our behalf and for your investment in extending the kingdom of our God.

Prayer Requests:

1. For a place to meet with the new church
2. For my wife's health
3. For the new believers, families, and young people who have returned to the church

In the love of Christ,
