September 2024 Prayer Letter

Dear Prayer Warriors,

We are glad to report that things have gone well with the beginning of our paperwork. I was successfully able to change our address with INM (immigration in Mexico), which I have learned is not something to take for granted. We greatly appreciate your prayers regarding this matter! We still do have to change over some other things to our new address, and we still must renew our residency this month. We would ask that you join us in praying that all would go smoothly with these processes.

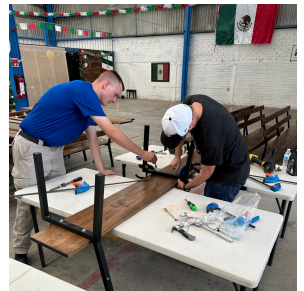

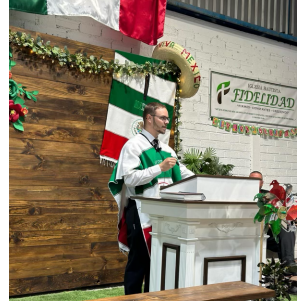

As we have worked on settling in to our new house, we have been able to help Bro. Miller as he and his church built some new pews and a platform for their church. This was a great opportunity for me to learn some new things from Bro. Miller regarding construction on the mission field. We are currently lining up some other projects to work together on in their church, and we would appreciate your prayers that work would go smoothly and that the Lord would protect those involved in this work.

Also during September, México celebrated its independence on the 15th and 16th of the month. We greatly enjoyed our first time getting to see the festivities and decorations, and given that Querétaro is where the war started, we found magnificent decorations and light displays all around town. We also greatly enjoyed celebrating with the Iglesia Bautista Fidelidad church family on the evening of September 15. I was able to join with other men in the church in preaching short sermons, and we all enjoyed the food during the fellowship time after the service.

Again, I cannot overstate our gratitude for your faithful prayers and financial support. We count it a great privilege to serve the Lord in this beautiful country. As we near the first anniversary of our arrival here, we simply ask that you continue to pray that God would continue to help us and use us here.

In Christ's service,

Tim Pontius
