October 2024 Prayer Letter

Dear Prayer Warriors,

Thank you again for your prayers for us this month! Without a doubt, the biggest challenge we faced this month was the renewal of our residency here in México. México installed a new president this month, and with that there were some changes in the immigration procedures we had to go through. We needed various paperwork from a few different entities, and ended up having to schedule our residency appointment on the date that our documents expired. After some confusion and challenges before we could even get into the immigration offices, and after a few hours of waiting in the office, we were successfully able to renew our residency! All of our family except Renata are good to go for the next 3 years (given Renata is under 3 years old, they can only give her 1 year of residency at a time). Thank you very much for your prayers in this matter! We are grateful that God allowed this to work out perfectly in the end.

During October, we also were able to finish some audio/visual and wiring projects with Bro. Miller. We are glad that those projects went well and we are thankful that the Lord kept all of us safe through all of that work. It continues to be a great blessing to serve alongside Bro. Miller and his family in soul winning and various projects and ministries in the church. Both of our families were able to join my family's sending church for a video call during their missions conference. We all enjoyed the opportunity to share what God has been doing here in México.

On the 25th of October, we completed our first year in México. Again, I cannot overstate our gratitude for your prayers and financial support that have made this possible. We praise the Lord for the 28 souls we have seen trust Christ for salvation over the past 12 months. We look forward to seeing many more souls saved and lives changed in the coming years here in México.

In Christ's service,
