PETER DOOLITTLE FAMILY NEWS

Grateful

The work of the ministry would be much harder and take much longer without you backing us up in prayers and support.

For all you do we are extremely thankful.

Church

The miracle of salvation continues to happen even amidst pain and suffering, this is the case of Jaine, a young woman who has been coming to our church who abruptly lost her unborn child just 10 days before it was due. Amidst such great pain, she desired to learn more about the Lord. Zirlene started a Bible study with her, through which, she accepted Christ's gift and the Lord saved her! Please pray for Jaine as she seeks to grow in the Lord and learns to deal with her loss. Another man has also come to the Lord recently, through the example of faithfulness he saw in the life of his now-deceased mother, Everton was won to the Lord and is excited to start a discipleship study.

The Venezuelans are coming! After the conversion of José and Amnerys, a young couple who fled Venezuela and settled in our city, two more Venezuelan's have also started coming to church and we are starting Bible studies with them as well. It is great to see the church steadily growing, praise the Lord!

Camp

Two weeks ago we finished one of the best camps we have ever had. The theme this year is "Roots," and it was especially relevant during Family Camp. Camp Maranatha's founder, Robert Doolittle (Peter's father), was able to come down with his wife, Ruth. At the age of 88, it was an emotional time for all present as we heard 'Dad' Doolittle preach. We also had Pastor Mike Weiss, our Home Church Pastor, from Madison Baptist Church in Madison, WI. What powerful sermons !!! God worked in wonderful ways during this camp. Many decisions were made, especially amongst the young people, to live for the Lord and surrender their lives to ministry, seeking to deepen their roots in Christ.

Camp (cont.)

Another special event at camp this year was the anniversary of 50 years of ministry of John and Joyce Raehl, faithful servants of our Lord and invaluable ministry partners at the camp.

Please pray for the six other camps we will still have this year, that the Lord may continue working in the lives of all who come!

Remodeling

The camp kitchen and dining hall were remodeled in three months. It took several miracles to allow it to be ready for Family Camp and, while there is still some work to do, it was completely useable for camp and an enormous improvement over what we had before. We praise the Lord for His hand in this and for those of you who have already contributed to help cover some of the cost. We still have \$37,000 left to pay on this project, please pray with us that the Lord may continue supplying the remaining finances for this project.

Family

Our family is doing well. We will be returning to the US for a six month furlough in May and are looking forward to fellowshiping with many of you who have been praying for and supporting us for so long.

Stanley is set to start deputation this year. His goal is to raise support and return to Brazil to work alongside us as well as establish a Bible College. Please be in prayer for him as He seeks the Lord's guidance in all of this.

Kevin is still in college. Please keep him in your prayers as he continues studying and preparing for the work the Lord has for him in the future.
