

January & February 2025

Dear Prayer and Financial Supporters,

Thank you so much for your help both financially and your prayers for me.

We were in jail that only lets us come once a year. It was a blessing as Janna and I were able to visit the lockdown unit. Rock of Ages had provided goodie bags for them. We were blessed to see three ladies call on the Lord for salvation. I went to my local jail in December to hand out bags of needful things that they could use in jail, but also received a divine appointment, I was able to talk with one lady and she told me she wanted to get saved. What a joy to hear her pray the sinner's prayer! There is nothing that compares to hearing someone accept Christ as their Saviour.

January was a very slow month. Most of our meetings were cancelled due to the weather. In February Rock of Ages has a training that we are required to attend, and while there I started getting sick. I did have to spend one night in the hospital. The doctor said that I was very dehydrated and low on B12 and magnesium. I so much appreciate my ministry partner, Janna Peacock, who stayed with me for a few nights and took care of me. There is nothing like a Godly friend to help you in time of need. I am feeling much better and prayerfully, I am on the mend. In the last of February I was in our local jail. We had eleven women come out and they all professed to be saved. On the first Wednesday of March, we were in a large prison in Tennessee. We had twenty ladies come to the Bible study. We were pleased that so many came out. I taught first and then Janna taught after me. While teaching I stressed the gospel and their need for salvation, but no one responded. I am praying the Holy Spirit will do His work and speak to those who were not saved. On the way home from Tennessee Janna took me to one of her local jails. I believe nine ladies came out to hear us. I taught on "Who Is Jesus To You". Each lady gave a testimony of salvation, some said they were saved as children, you never really know if they understood what is really involved in salvation and the gospel. I pray that they understood, as I went over it very clearly. Please pray for these ladies that if they were saved as children that they will turn their lives over to God and live the rest of their life for Him, but if they were not saved, they would realize it and be saved.

Please continue to pray for us as we travel.

Your Missionary,

Linda Fulton
