

CORE Missions

CENTERED ON REMOTE EVANGELISM

Dear Friends and Supporters,

Greetings in the name of our Lord Jesus Christ! We trust this letter finds you walking faithfully and joyfully with the Lord.

Our last update was at the beginning of February, and since then, God has been moving in incredible ways through our family and the ministry of CORE Missions. We are overwhelmed by His goodness and the generosity of so many churches and individual families who have come alongside us both financially and in prayer. Thank you from the bottom of our hearts for believing in this mission and standing with us.

Over the last few months, the Lord has opened countless doors for ministry. We've had the privilege to preach in Christian schools, classrooms, and missions conferences—from Northern Michigan all the way down to Cassville, Missouri, and everywhere in between! We were even interviewed on a local TV station, where we were able to share the heartbeat of CORE Missions and the calling God has placed on our lives.

One special highlight was preaching at a youth pastors' conference. Not only did I get to share what the Lord is doing through our family in missions, but I was also able to teach and encourage youth pastors and leaders from across the country. What a blessing it was to invest in those who are pouring into the next generation!

Next week, I have the opportunity to preach at a church planters' conference, and we're praying God continues to stir hearts toward the work of the Gospel. Just last week, a pastor reached out to let me know that two young men in his church surrendered to full-time ministry after we visited and preached. Praise the Lord—He is still calling laborers into His harvest!

CORE Missions Update

We are thrilled to share that after much prayer, hard work, and the investment of faithful churches across the U.S., we recently held our very first pastors' conference at our Base Camp property in Honduras! This was a major milestone, and we are rejoicing in how the Lord provided.

Our team is actively serving around the world—from the Philippines to India to the Ivory Coast of West Africa—and everywhere in between. We are incredibly eager to complete our deputation and join them full-time in training national pastors, reaching new regions, and planting churches in some of the most remote areas of the world.

Family Update:

As we travel, God continues to sustain and teach us through both blessings and trials. A couple of months ago, our daughter broke her other arm—the second time in less than a year! But praise the Lord, it is healing nicely and she continues to have such a joyful spirit through it all.

We've also had our share of vehicle troubles. Our minivan had to go into the shop seven times over the past few months. As you can imagine, spending as much time on the road as we do, reliable transportation is absolutely essential. By God's grace and provision, we were able to get a different vehicle, and we are praying this one proves to be more dependable than the last.

Through it all, God has been faithful to protect, provide, and keep us moving forward. Your prayers for our family's health, safety, and strength mean more than we can express.

Support Level & Prayer Requests:

As of today, we are at 55% of our needed monthly support—Praise the Lord! We are so thankful for each new partner God has added to our team.

Please continue to pray with us for:

- The remaining 45% of our support to come in quickly.
- Health and strength for our family, especially as we travel week after week.
- Reliable transportation for the road ahead.
- Opportunities to clearly present the vision and see hearts stirred for missions.
- God's continued blessing on the national pastors and churches we are working to support around the globe.

We are humbled and honored to serve in this great work and cannot thank you enough for your prayers, encouragement, and support. You are making an eternal difference.

For His Glory,

Ben, Rachel, Titus, Allie, Everly, and Thomas White
