Thank you for your continued prayers and support. These past few months have been busy yet abundantly blessed, and we recognize that every opportunity and blessing comes from your faithful intercession.

Nicole and I spent almost a month in the Philippines. We praise the Lord that we were able to participate in our oldest daughter's wedding. It was a beautiful, Christ-honoring celebration, and the newlyweds are doing wonderfully!

I served as the keynote speaker at the BIO Philippines 25th-anniversary conference, where the Lord granted me freedom and used His Word to encourage both pastors and workers. Nicole and I were also privileged to visit and uplift nine churches across Negros.

Most of our BIO missionaries in the Philippines joined us in Negros for both the

wedding and the conference. We praise the Lord that we were able to reconnect with every one of them—except one—and to honor Nap and Shirley Donado for twenty years of faithful service.

We returned home from the Philippines just in time for me to drive to Shreveport, Louisiana in order to participate in a missions panel at Louisiana Baptist Uni-

versity's Maximize Conference. Three BIO missionaries were with me at the conference.

Two weeks after, we hosted our annual BIO Enrichment Week at the BIO home office. It was a rich week of fellowship, encouragement, and edification with many of our missionaries that were stateside.

A few days later, Nicole and I rejoiced as we gave away our youngest daughter in marriage—an honor made even more special by my privilege to officiate the ceremony. With both of our mothers now in Heaven and our last two daughters happily wed, we've officially entered the "empty nester" chapter of our lives. We eagerly anticipate all that God has in store for us in this next season.

Later this month, we'll journey to Central Florida for the annual missions conference at Avon Park Correctional Institution. On July 25–26, several of missionaries will lead sessions under the theme "Bear Fruit, More Fruit, Much Fruit." We anticipate unsaved men in attendance—please pray that God will open doors for the gospel, grant boldness to our speakers, and soften hearts to receive God's precious truth.

We thank the Lord for you and your faithfulness. We pray that your summer will also be busy, yet abundantly blessed!

Thank you so much for your prayers and support. We love you and pray for you!
