Dear Friends and Partners,

We are excited to announce that 2025 has already proven to be a year of tremendous spiritual growth and a personal milestone!

From Vision to Reality: Two New Churches in Bolivia! In our last update, we shared how a trip to scout property for future ministry unexpectedly opened doors to establish two new churches in Bolivia. Today, we're excited to report that those initial steps are producing genuine results, and the Gospel is progressing.

Achira: A Church Already Taking Root. You may remember the promising opportunity in the village of Achira. We're excited that Pastor Fabricio and his family have moved to the property and begun holding services and Bible studies! Moreover, they are already witnessing encouraging results. This location will serve as an excellent hub for Gospel ministry, featuring housing, classrooms, guest lodging, and an auditorium. This is not just a church... It's a foundation for regional outreach and training.

Kilometer 12: A Church on the Brink of New Life. We also shared the urgent situation involving a pastor whose family faced threats; as a result, he offered to sign over his church property to protect them. By God's grace... and your generosity, we have raised the funds necessary to rescue the family and the property! We are navigating Bolivia's complex legal system with our partners to complete the purchase.

Pastor Selso, a trustworthy and faithful family man, has already been chosen to continue the work once the transfer is finalized, ensuring continuity and steadfast leadership.

Solid Pastors, Strong Doctrine. God has provided faithful, doctrinally sound men to shepherd these new congregations in both locations. Their dedication to biblical teaching and discipleship gives us great confidence that these works will prosper. It's a blessing to partner with Bolivians who are passionate about spreading the Gospel in Bolivia!

A Personal Milestone! Jeff was officially conferred his PhD in Theology from LBU this month! This milestone represents years of study and ministry. We see this as a tool to equip and train leaders across Latin America and the US for Great Commission work!

Thank you for walking with us! Because of your prayers and support, what began as a vision has become a reality. Two churches are being planted, a family is being protected, and new leaders are in place to guide these efforts. Please pray for the final legal steps and lasting fruit in Achira and Kilometer 12. Together, we are making an eternal difference.

Serving with you in Latin America,
Jeff & Sandra Price
