"Starting churches and training preachers in the Dominican Republic"

April – June 2025

Beloved Pastor and Brethren,

May the grace of the Lord Jesus Christ continue to be poured out in a special way upon your life, family, and ministry. Since our last letter, the Lord's work has been very intense, both in our church and in other places throughout the country. All thanks goes to the Lord, Who gives us the strength and opportunity to be productive for His glory.

In April, we celebrated our Evangelistic Spring Program, "There Is Still Hope." The name came out of the mood that was all over Santo Domingo due to the roof collapse at the Jet Set nightclub, where 238 people died and hundreds were injured. This place is only 5 minutes away from the church. We are all emotionally affected by the magnitude of this tragedy. The entire Dominican Republic is still in mourning. Famous baseball players, artists, and dozens of people valuable to God died in one of the greatest tragedies in the history of the nation.

At the end of the program, we had several people and families saved, such as Francis, Yamilet, Mainoby, Yowan, and Yino, who is one of the most famous disc jockeys in the capital. Yino is now faithfully attending church with his family—his wife, daughter, mother, and sister. **We praise the Lord, because the real hope came to these people! Jesus is the hope of glory.**

In the new church we started in the Port of Haina area, **the Lord opened the door to preach the Gospel to the members of the community Basketball Club. At the end of the preaching, 32 young people prayed, calling on the Lord for salvation.** Please help us pray for them to attend the Bible study we have there. The family of one of them is traveling to attend the Bible study and prayer service at the church on Wednesdays. The last time they attended, 5 of them came. Glory to the Lord!
