"Starting churches and training preachers in the Dominican Republic"

July – September 2025

Beloved Brethren,

We praise the Lord for the opportunity to communicate with you once again. You are the ones who have been with us at all times, praying for us, encouraging us, and supporting us financially so that we can serve the Lord in the Dominican Republic. Thank you from the bottom of our hearts!

Celebrating 25 Years of Service in the Dominican Republic

The Lord has been good to us over these 25 years. By His grace, He has helped us to:

- Establish the Fundamental Caribbean Baptist Church.
- See thousands of souls come to the feet of Christ and see hundreds of them baptized.
- Establish a very effective missionary program in the church.
- Fulfill my purpose of training others for the ministry. For years, I have taught in several Baptist seminaries in the Dominican Republic. More than 10 churches have been established by graduates of those seminaries, and 5 brothers from our church are serving the Lord full-time as pastors and assistant pastors.
- Preach and teach the Word of God in dozens of cities and towns around the island.
- Remain on the mission field, which for me is our greatest achievement, producing for the glory of God despite trials and opposition from the enemy—the glory belongs to God.

Moving Forward in the New Church

The brothers remain steadfast, and sinners continue to hear the Gospel. Please continue praying for this new church. The Devil is waging war against us at every meeting we have. The music and lack of reverence among the ungodly have led us to suspend several activities. Please pray for a meeting place, as we are currently holding our activities in an outdoor hallway.

Blessings

For the first time in the history of our church, we have had more people saved in the services than in our soul-winning time in the last three months. Four new families are attending church as a result of these conversions.

Vacation Bible School was a blessing. Despite the rain, we had many new children who have remained in the church, which is more important to me.
