Paul referred to Priscilla and Aquila as “my helpers in Christ Jesus” (Romans 16:3). Nikki and I rejoice that, like Priscilla and Aquila, God has given us a ministry of helping missionaries. What a joy it is to serve those who are serving the Lord around the world!

Being **helpers in Christ Jesus** took us to Avon Park, Florida, where we participated in a Prison Missions Conference. The conference was a success, even though we faced a few “curve balls” along the way. I’m beginning to learn that such surprises are common in prison ministry! In spite of the challenges, the Lord blessed. The believers inside were edified and encouraged in the work of missions—and best of all, one young man placed his faith in Christ.

While ministering at the prison last February, I met with Terry, one of the prisoners, who expressed a desire for more fruit in his life. We covenanted together to pray daily for God’s work in him. When I returned for the missions conference, I sought him out—and with a huge smile, Terry shared that God had given him three Bible studies to lead.

Please pray that God will continue to use Terry and the other believers inside Avon Park for His glory, drawing many more hearts to Himself through their faithful witness and their role as **helpers in Christ Jesus** even behind bars.

Since our last letter, Nikki and I have had

the privilege of being **helpers in Christ Jesus** for our missionaries in a variety of ways—serving as a clearinghouse, offering counsel and care, and assisting with their communication needs. Recently one of our missionaries wrote,

“Thank you for your love, friendship, encouragement and other multiple displays of support to myself and my family. ‘If one prevail against him, two shall withstand him; and a threefold cord is not quickly broken’”

It is truly our joy to be their **helpers in Christ Jesus** through BIO.

We are also preparing for our annual BIO Fall Meeting, which will be held November 3–5 at the Ramsey Hotel and Conference Center in Pigeon Forge, Tennessee. This year marks a special milestone as we celebrate BIO’s 40th year as **helpers in Christ Jesus** for missionaries around the world. You are invited to join us for this special time of fellowship, encouragement, and vision. For more information about this meeting, please visit biomeetings.org. We hope to see you there.

Gratefully, we acknowledge that our Priscilla and Aquila-type ministry is possible because of you. You are truly our **helpers in Christ Jesus**! Thank you for your faithful prayers and support, which makes this ministry possible. We thank our God upon every remembrance of you (Philippians 1:3). Grace and peace to you.

Thank you so much for your prayers and support. We love you and pray for you!

John 10:16 “And other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd.”
