MISSIONARIES TO PERÚ

Ladies Conference

October 16-18 nearly 160 ladies came from our 6 team churches and from 1 church outside of Tacna for our annual Ladies Conference. We were able to have in 2 guest speakers, and each of the pastor's wives from here also taught. There were classes for adults, young adults, and teenagers. The theme was "Brilla" (Shine) with lessons being given based on different women of the Bible whose testimony shone forth in different circumstances. On the last day of the conference, a teenage girl from our church was saved.

Salvations and Discipleship

We praise the Lord that there has been an increase in the number of people who are now receiving weekly discipleship classes to learn more basic Bible principles and teaching. Within the past few months, two people have professed Christ after having clearly understood the plan of salvation through these classes. We thank God that a faithful lady in the church has begun helping teach for the first time, and is able to disciple several young ladies. Brother Roberto has also been a huge blessing working with many of the young men of the church. Sara and I both continue to disciple several people each week. Please pray for growth and fruit through this ministry.

God is blessing in our group of young people. In the past few months we have had 14 first-time visitors in the Saturday meetings. The teenagers were able to have a Hawaiian-themed spring banquet that was a lot of fun.

Baptisms

September 21, was a day of great victory and

We are grateful for your prayers and financial support. You are an integral part of the ministry here in Peru, and we are very thankful for the opportunity to serve Him together!

followed the Lord in believer's baptism. A married couple and three young men took this step of obedience. Please pray for their continued growth and faithfulness, and for family members who were present who still need Christ.

Missions

The Lord allowed me and our 3 oldest boys to travel to Cusco the first week of October to preach in the anniversary services of the Lamay Baptist Church which is pastored by Porfirio Huilca, a missionary our church supports. It was a blessed time, and following the conference, we were able to visit some tourist spots for Josiah's senior trip.

Our church has recently been able to add José and Lucia in Cajamarca as the 5th missionary family we support. November 7-9 is our 4th missions conference. Please pray as Pastor Percy Lopez, missionary to Bolivia, comes to challenge us from God's Word.

Camp Property

We continue to work together and fundraise as a team toward the purchase of a camp property that we could use for retreats and camps. We would like to purchase 2 hectares (about 5 acres) that is for sale for \$17,500. We have about \$2,500 so far, and continue to save towards this goal.

Upcoming Activities

Dec. 6- Evangelistic Christmas Recital

Dec. 21-22- Christmas Cantata

Please pray that God would touch hearts and guide us as we prepare for other summer ministry opportunities.

Tacna Christian School Project

Dear Pastors and Praying Friends,

Thank you for your prayers, gifts, and support of the Tacna Christian School Project. Each passing day brings us closer to the completion of the first phase of construction. Just recently, the temporary metal roofing was installed, the electrical connections were advanced, and the drop-ceiling was completed. Within the next few weeks, we plan to have the classrooms primed and painted and the doors and windows installed. It is a blessing to see the work advancing for the glory of God!

Please pray that God would provide the teachers and administrative personnel for the school. While our desire was to get all the paperwork and inspections done in time to get our license from the Department of Education to be able to begin this March, we were not able to acquire the school's permit. There is still the possibility that the school could start in 2026, but under the operating license of another small Christian school in our city. Please pray as we make decisions concerning these matters in the days ahead.

A pastor recently wrote and asked for some specific projects that they could help with. With the help of Pastor Henry Sucapuca, we have compiled a list of specific items (projects) that are still needed:

Classroom Furniture

Large Tables - 6 @ \$330 apiece
Dry Erase Boards - 2 @ \$55 apiece
Bookshelves - 3 @ \$250 apiece
Rubber Flooring - \$700

Office Needs

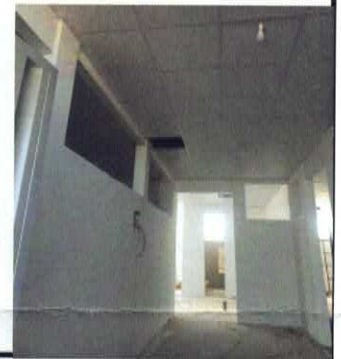

Desk - \$150
Desk Chair - \$75
Armchairs - \$225

Advertisement Signs and Fliers - \$140

Teacher/Administration Salaries (first year) - \$27,950

Play Area

Slide - \$150
Swing - \$120
Playhouse - \$120
Small Trampoline - \$120
Artificial Grass - \$650
Roof (for shade) - \$300
Fence - \$135

Thank you so much to those who are giving to the school ministry on a monthly or on a one-time basis. Currently, we have \$400-500 of monthly support coming in for the school, with a goal of reaching \$1,000-1,500/monthly for the first 3 years. We pray that by that time, the school will be financially independent. Any gift is an investment in the Christian education of young people of our city and is a great blessing. May God bless and keep you as you continue to serve Him!

In Christ,

Missionary Robert Stover- Tacna, Peru
