November 2025 Prayer Letter

Dear Prayer Warriors,

In the course of trying to visit Verónica again, I was able to meet her family member María Isabella. María allowed me to present the plan of salvation to her, and she accepted Christ as her Savior. Please join me in praying that my attempts to visit Verónica before we leave on furlough would be successful and that more of that family would come to know Christ as their personal Savior.

Also during the month of November, we spent quite a bit of time preparing our video presentation. We are excited to be able to show you a more condensed version of how we have seen the Lord work over these past few years. As soon as I finish editing this presentation, I will be eager to share it with you all.

In addition to preaching a Wednesday this month, Brother Miller also allowed me to preach the pastor's fellowship he hosted this month. I enjoyed getting to talk with some of the national pastors, and conversing and preaching helped me to continue to grow in my ability to speak Spanish.

During the month of December, we ask your prayers that we would have a safe journey to the US as we drive up to begin our furlough. We are currently experiencing a vehicle issue that appears to be related to the "smart key". We have just ordered an additional key from a dealer down here, and we are hoping and praying that will resolve our ignition issue. Please also pray that we will have no other vehicle issues on our drive up. We plan to join fellow missionary Chris Lanier in Saltillo on December 14, and he has graciously asked me to preach for him on that Sunday. Again, please do pray for smooth travels for us and that the Lord would work as I preach in Northern México.

We do hope you all had a great Thanksgiving, and although I do this often, I do want to express our gratitude for your faithfulness in praying and giving! What God has done so far and what He will do soon are not possible without you all. We do hope you have a very Merry Christmas!

In Christ's service,
