

Merry Christmas!

November & December, 2025

Praise The Lord for His goodness and His wonderful works to the children of men.

Robin and I are so grateful to Lord for His mercies in providing me improving health and strength. We are very appreciative of His provision in meeting needs and keeping us going. Our gratitude also encompasses the friends and supporters that the Lord has blessed us with through the years. You have shown us many kindnesses.

We traveled to Florida In November which allowed us to be with family for Thanksgiving. Within that trip, our son-in-law, Enrique traveled with me to Matamoros, Mexico, to attend an amazing missions conference in which more than 250 pastors and missionaries were present. I had never seen a missions conference like this one in which missionary needs and projects were presented and thousands upon thousands of dollars raised to try to meet these needs. It was a real blessing also for me to re-connect with several Mexican and national missionaries at this conference.

Please continue to pray for strength and healing in the lives of our Fires team members: Elmer Fernandez, Alejandro Cordova, Bacilio Alfaro, Ezequiel Salazar and me.

In the conference ministry the Lord really blessed us with 293 pastors and missionaries in our conference in the Philippines, where 75 brethren surrendered to full-time service. We also had conferences in Colombia, Honduras and Nicaragua. God worked in hearts wonderfully in Colombia. There were hundreds of people saved, 56 baptisms, and 57 brethren surrendered to serve the Lord with their lives. In Chile the week before last, we had an amazing attendance for that area with over 850 people. Three were saved there and six folks surrendered to full-time service.

In January the second week, we start the New Year off with a conference in David, PANAMA. We would be so grateful for your fervent prayers for it and its preparations.

May God wonderfully and richly bless you all. We hope that your Thanksgiving was heart-warming and pray that you have a very Merry and blessed Christmas!!
