Verse

Thine, O Lord is the greatness, the power and the glory...for all that is in heaven and in earth is thine.
-1 Chronicles 29:11 (KJV)

Political Update of Bolivia

Over these past few months we have seen the Lord's sovereignty for the country of Bolivia. On November 8th, the nation transitioned to a new government after nearly twenty years under a socialist/communist administration. This change has brought hope, but it has also resulted in a significant amount of social unrest instigated by the outgoing government. We appreciate your prayers for peace and stability during this time.

Mount Olives Church

On December 28th, we spent the day with the believers at Mount Olives Church. It was a joyful time of fellowship as we were able to provide Christmas gifts for all the children and share a meal together following the service. We are grateful for the opportunity to encourage the church and celebrate the season together.

Tierras Nuevas Church

We are also in the final stages of remodeling the Tierras Nuevas Church building. A special service is planned for January 25th, and we are expecting more than 300 believers to attend. During this service, several new believers will be baptized. We are encouraged to see families who previously attended this church returning and faithfully participating once again. In addition to remodeling the auditorium, we hope to build a dining room, kitchen, and new bathrooms to better serve the congregation.

Pacemaker Bank Update

Finally, Lord willing, next month we anticipate having our first two patients receive pacemakers through our pacemaker bank. This ministry had been on hold for an extended period due to delays under the previous government. The pacemaker bank has already been a tremendous blessing, saving many lives, and we are encouraged that through this ministry lives can be touched not only physically, but also spiritually for eternity.

Thank you for your continued prayers, encouragement, and partnership in the work God is doing in Bolivia.

In Christ,

Dan & Amparito Brooks

Annual Youth Conference

Looking ahead, our annual youth camp is scheduled for January 13–18. We ask for your prayers that roads would be unblocked and safe so that young people from all across Bolivia can attend. Daniela, Zoe, and Solomon will all be participating this year. This will be Zoe's first time attending, and Daniela will serve as a counselor while also assisting with the music ministry.
