

December 19, 2025

Dear Supporters, Family and Friends,

As the year comes to an end, we stop to reflect on how good the Lord has been to us. We are so grateful for His guidance in the ministry. We are overjoyed seeing His work happen in Brazil. We saw souls saved this year, people being baptized, being discipled, and Christians growing in the Lord. It has been a wonderful year, and we look forward to seeing what the Lord has in store for us in 2026!

Thank you so much for being a part of our ministry. We could not do this without your support, love and prayers. It is so encouraging to know that there are so many brothers and sisters who are actively praying for us and are interested in what is going on here in Brazil and in our lives.

The construction on the deaf church building is going well. Many times, we must wait. We wait for the construction workers to do their part, or we wait for the material to arrive, but ultimately, we are waiting on the Lord. The foundation has been completed and now we are going to start building upwards. It's exciting because now, more than ever, we see progress happening.

Last month, we had the privilege of participating in a deaf church in a neighboring city for their 7th year anniversary. It was such a blessing to see many deaf people serving the Lord and it encouraged us to continue steadfast in the ministry the Lord has given us. I was able to share our testimony and ministry plans in Libras (Brazilian sign language) and the church is excited to partner with us and help in whatever way they can.

Our family is doing well; Abby's pregnancy is going great. Baby Jonathan is healthy and is growing just right. Hannah seems to be growing by the hour! She is starting to try to walk now and is saying all sorts of words. We thank the Lord for our growing family, and we pray for the salvation of our babies every day.

We wish you a very blessed Christmas and a Happy New Year. May this coming year be the best year of our lives!

Joyfully in Christ,

Stephen, Abigail, Hannah, and Jonathan Barrett
