

THE KENNEYS

MISSIONARIES TO GHANA, WEST AFRICA

January 2026

Pastors and Prayer Partners,

Here we are again at the beginning of a new year. It seems like the older we get, the faster time flies. We hope that you all had a blessed Christmas and New Year. We had a wonderful holiday season. We really enjoyed spending Christmas and New Year with our family. We have tried to spend as much time with our children as we can while we are here in the States. When we return to Ghana, we will be empty nesters for the first time.

Our children are doing well. They are all active in our home church. We are so thankful that we have a pastor and a pastor's wife who have really tried to help them while we have been gone. It is just as hard on the children who are left behind as it is on the parents who leave them. We are thankful for a home church that really rallied around them and helped them through.

Praise the Lord, we have had three new churches take us on for monthly support. We have another praise as well! We have raised enough money to build our wall. The men have not started on it yet because the rainy season was unusually long, but it has finally dried out. They will be starting it this week. We are so excited that God has provided the funds for this! Thank you to everyone who donated to this need. It is greatly appreciated. Mount Moriah Baptist Church in West Anoe, Ghana, says, "Madaase papapa!" Madaase papapa means "thank you so much" in Mfantse.

Our prayer requests for this letter are: Please pray for safe travels. We also need to renew our passports and visas before we go back. Please pray that everything will go smoothly with our paperwork. Continue to pray for Mount Moriah Baptist Church. Last but certainly not least, please pray for laborers for the harvest. The harvest is great, but the laborers are few.
